

Parent or Guardian,

Hello, the purpose of this letter is to inform you of an exciting resource available to youth and families called ASPEN!

Along with a free resource directory available at ASPENnetworkinc.org it provides an online social and emotional questionnaire designed for youth. Students' 5th-12th grade have the opportunity, with parent permission, to answer a social-emotional questionnaire.

Questions explore how a student is feeling and checks if your child may be struggling. This will connect the student to a school counselor and school staff will work directly with you. All information will remain confidential.

If you consent to your student participating, please **click** and complete the [Parent and Guardian Consent Waiver](#).

Please go to ASPENnetworkinc.org to find additional information, resources, and frequently asked questions.

Thank you,
