

# Cassville School - Fifth Grade Learning Menu for Reading, Writing, Math & Science

Week of April 14 - 17, 2020

## Main Dishes (Pick 2 from each subject)

### Reading

\*Please **READ, READ, READ** and **READ** some more.

\*Test at least once a week on AR  
<https://hosted327.renlearn.com/714005/>

\*Use [www.sheppardsoftware.com](http://www.sheppardsoftware.com) to work on the **USA 4 Kids Games**. You can find it under the hand waving a flag.

\*Complete at least 1 i-Ready **READING** practice  
<https://login.i-ready.com/>

\*Log into [www.freckle.com](http://www.freckle.com). Class codes will be on Google Classroom announcements. Complete at least 1 ELA activity this week. Feel free to have fun and explore more activities.

### Writing

\*Go outside and collect items found outside and create a picture of an animal. Write down steps used to create your animal and post a picture of your creation on Remind101 (Woodard/Rhea), Facebook (Nickle), text the picture to your writing teacher or upload a picture to our Google Classroom.

\*Start a reading log about what you are reading daily and include the reading strategies you are using while you read your book in your reading log. Reading strategies are: predict, visualize, connect, question, infer, evaluate, and identify.

\*Start a daily journal to record what you are doing, how you feel, and how things have changed in your life. This will be a neat thing to go back and read in five years and look back on how things changed. Make sure to put the date at the start of each entry.

### Math

\*Complete at least 1 i-Ready math practice  
<https://login.i-ready.com/>

\*Complete at least 1 day of Xtra Math  
<https://xtramath.org>

\*eSpark  
<https://student.essparklearning.com/student/login>

\*Multiplication Handout -

## Art

### Rainbow Art:

*This week we are going to focus on rainbows. We are going to have a rainbow race. Find a friend to play with. Now you will pick an area to place your items. You will start by finding something the color red and bring it to the area. Then following the same directions with orange, yellow, green, blue, and then violet. Then draw a pretty picture of a rainbow or one with a rainbow in it.*
