I was born and raised in a small town in northern Wisconsin and I come from a family of educators. I knew from a young age that I wanted to be a teacher. I graduated from the University of WI-Eau Claire with my degree in Special Education. I spent 10 years working for KinderCare Learning Centers in various roles, from preschool teacher to being a Center Director. It was KinderCare that brought my spouse and I, as well as our 2 fur babies (cats), to beautiful Portland in 1997. Once here, I decided I wanted to get into the classroom and obtained my Oregon teaching license. This is my 17th year teaching at Menlo Park School; 13 of those years have been teaching 5th grade. I love Menlo Park and I absolutely love teaching! It is a humble joy and honor to build relationships with extraordinary children who teach me so much about life and leave a lasting imprint on my heart. They inspire me to put my best foot forward and give it my all under any and all circumstances. How fortunate I am!</p>
 <p data-bbox="185 1125 370 1152">Mrs. Holzbach</p>	<p data-bbox="467 737 1576 1155">My name is Jennifer Holzbach. I teach 5th grade at Menlo Park. This is my 23rd year teaching in the David Douglas School District. I have taught K-8th grade. I actually completed my student teaching here at Menlo and was hired as the Reading Intervention teacher (K-6). I then, moved to a 6th grade classroom and also taught 3rd, 4th and 5th graders in the classroom setting! I have also taught Math Intervention to 6th-8th graders at Ron Russell. My husband and I live in Gresham. We have one son who is a senior at Barlow High School. We also have a great Black Labrador named Blue! As a family, we love to go camping, hiking and basically anything outside! I absolutely love to see students grow academically when they feel like giving up. Seeing academic growth is why I teach! I look forward to an amazing year!</p>
