Monitoring Student Learning

Oral and written feedback is shared in a variety of methods throughout lessons, activities, and projects. Additionally, progress is given through PowerSchool.

The link for PowerSchool can be found at www.decorah.k12.ia.us.

Please contact the school office for your password or any other additional information.

Communication

Canvas is a Learning Management System (LMS) used by the Decorah Community School District. The LMS is a way to simplify teaching and learning while providing equitable access and instructional continuity to enhance the learning experience for all students. As a parent, Canvas is your one-stop shop to keep current with your child at school.
