October 19, 2015

Dear Parents and/or Guardians,

We are planning a field trip on Wednesday, October 28, 2015 to Rivertown Planetarium, Science Center, and International Space Station Museum. The students will learn more about the planets, space exploration, and participate in hands-on science activities to enrich our science curriculum.

The total cost of the field trip is \$8.00. This includes the cost for admission and transportation.

The money and signed field trip permission form are due by Tuesday, October 27, 2015. Failure to return the signed permission form and money by the due date will cause your child to remain at school on the day of the field trip.

Chaperones are welcome to attend this field trip but must provide their own transportation. Chaperones must be at least 18 years of age and appear on the student's emergency card. Younger siblings are not permitted on this field trip. Chaperones must also pay the admission fee of \$8 and must also be paid by the field trip due date. Please send the exact amount due as change will not be given.

Once paid, the fees for the field trip are non-refundable if your child is unable to attend for any reason.

Sincerely,

Luling Elementary 5th Grade Team

V. Terry

☐ Yes, I give permission for my child, _____, to attend the field trip on October 28, 2015 to Rivertown Planetarium, Science Center, and International Space Station Museum.

☐ Yes, I would like to chaperone and will drive my personal vehicle. I have included \$8 for my admission to Rivertown. Number of chaperones: _____
