Dear Families,

5th Grade will be taking 4 field trips between March and June. Please take the time to read through each of the field trip sections. Please **sign each portion** to allow students to attend these field trips. Also, **mark if you are able to volunteer to chaperone** any of the field trips. We can take as many chaperones as we want to Rockford and Chicago (if too many...some may have to drive separate), as long as everyone turned in the Green Volunteer Sheet and is approved by the district. We are letting you know far in advance for the field trip for a few reasons. The first is some of the museums require a deposit before the actual field trip. This also allows parents to make payments as they can through the next few months. It also gives chaperones time to get in the green volunteer sheet if they have not already. You will have the **option to pay online** through infinite campus or **sending in a check** in the School District of Janesville envelope.

All money due by March 2nd, 2018!
