

## 5th Grade Basketball

## Girls Traveling Team

It's already that time again. . . our excitement and anticipation for the upcoming season is here along with lots of planning already in the works. With that being said we need to have our roster completed to fine tune our plans for the upcoming 2023-2024 basketball season.

**Practices:** Practices begin Wednesday, October 25 and will occur every Wednesday 3:30-4:30 and Sundays 4-6. Depending on gym availability the current plan is for practices to be at the elementary gym on Wednesdays and the VAC on Sundays. Early dismissal days practice times will be moved to 1:30-3:30 as long as gym time is available. Please note that this is subject to change with volunteer coaches schedules but will try to be very consistent and will communicate any changes.

**Cost:** This basketball team is not school affiliated or funded and is run completely by volunteers. Last year's team played 6 tournaments costing each player approximately \$150 . Our goal is to play in a couple more tournaments this year which will obviously increase registration price along with possible uniform cost. More details will be available once we have a roster put together for our team.

### **Tournaments:**

November 18 Lake Mills  
December 2 Osage  
December 9 Clear Lake  
December 16 West Fork  
January 20 Central Springs  
January 28 Belmond  
February 10 Charles City  
February 23/24 Britt

If your 5th grade daughter is interested in being part of the traveling team please fill out the **google form attached by September 10.**

Again we are excited and looking forward to growing as a team, improving our skills and to this year's upcoming basketball season, GO VIKINGS!!

Brooke Anderson, Amber Helgeson & Anneke Urbatsch
