"I Believe, I Can Achieve, I Will Succeed...I Believe"

Dear Parents & Guardians,

We are hoping this letter finds everyone in good health and strength. The Pecan Park 5th Grade Team has been working on the development of a distance learning plan. This plan will be utilized in the unlikely event of a prolonged emergency school closure.

The team has decided to transform lesson plans and learning experiences into an online experience. The overall goal is to utilize a combination of online resources to duplicate the learning activities students experience in face-to-face instruction. We have assigned our scholars assignments on various online programs, so the students can continue to maintain an effective learning environment, despite a prolonged school closure.

The following online programs are listed below:

www.studyjams.scholastic.com

www.xtramath.org

www.quizizz.com

www.learningfarm.com

(links will be posted on Pecan Park's website)

Parents, we ask that you continue to encourage our scholars to utilize the free resources to stay on top of their academics. We miss all of the students dearly! We will be checking [Remind](#) and [School Status](#) daily.

We sincerely appreciate your flexibility and support. Please do not hesitate to email or contact us on the [Remind](#) app.

Best regards,

The 5th Grade Team
