

## **STUDENT FUND-RAISING ACTIVITIES**

The Board of Education recognizes its responsibility for the supervision of the financial affairs of student clubs and extra-curricular activities. The following guidelines apply to student contests, drives and outside projects:

1. The school day shall be devoted exclusively to the educational program. Contests, drives for propagandizing or solicitation, and any or all projects initiated by outside organizations shall have place in the school day only insofar as they are sought or approved by the school officials on their own initiative and in the belief that such procedure has a primary purpose and function in the total educational program.
2. Non-school literature or materials shall not be displayed or distributed in the schools except as specifically sought or approved by school officials in the belief that such procedure has a primary educational purpose and function.
3. Students may not be polled in the schools for or on behalf of any outside organization without prior approval from the Building Principal.
4. Tickets shall be sold in the school only for school performances or activities scheduled by the school.
