

Doodling with Lines and Symbols

Materials:

- Paper (Any color)
- Pencil
- Sharpie
- Colored pencil, paint, marker, etc. (optional)

Steps:

- Draw at least **5 symbols** that are interesting to you or represent who you are (no logos) spread out on a piece of paper.
- In the negative space (blank space) around the symbols draw at least **8 different types** of line to create various patterns.
- Sharpie over all of your lines and consider making some lines thicker or filling in certain shapes to give it interest.
- As an option, add color to the symbols with colored pencils, markers, or paint.

Optional:

- You can include an **inspirational quote or mantra** into your design.
- You can include **collaged elements** (cut paper).
- You can incorporate **color** once everything is drawn AND sharpied.
