

Welcome to Team 6B

Summer 2018

We are excited about beginning a new school year! On Team 6B there are 4 subject area teachers and a moderate special needs teacher. Mrs. Kathleen Anderson, the team leader, teaches Social Studies, Mrs. Andrée Johnson teaches ELA, Mrs. Robin Reading teaches Science, Mrs. Nicole Zwirek teaches Math and Mrs. June Fagan is the MSNS who will co-teach ELA & Math as well as have a small group for both. We are looking forward to sharing new experiences and exciting challenges.

The best way to meet the challenges ahead of you is to be prepared. If possible, we would like you to have the following supplies:

Mrs. Zwirek & Mrs. Fagan ~ Math	Mrs. Johnson & Mrs. Fagan ~ ELA
<ul style="list-style-type: none">• 1 ½ inch <u>Durable or Heavy Duty</u> binder• 1 set of 5 tab plastic dividers• 1 one subject notebook with a sturdy plastic cover	<ul style="list-style-type: none">• 1 one subject notebook with sturdy plastic cover• 1 ½ inch "WHITE" <u>Durable or Heavy Duty</u> binder• 1 set of 5 tab plastic "Write-on" dividers
Mrs. Reading ~ Science	Mrs. Anderson ~ Social Studies
<ul style="list-style-type: none">• 1 ½ inch <u>Durable or Heavy Duty</u> binder• 1 package of at least 25 plastic sheet protectors	<ul style="list-style-type: none">• 2 plastic folders <u>with three prongs & pockets</u>

In addition, the following items will be used by individual students or kept in the homerooms for student use.

- 1 plastic folder for transporting homework and notices back and forth
- 2 pocket folders for specialists
- Small soft sided, zippered pencil case ~ this will be carried throughout the day
- 2 **boxes** of "good" quality wooden pencils – it really does make a difference!
- a pack of pencil top erasers, a few large erasers, 2 colored pens, 1 multipack of multicolored highlighters, 2 black (fine point) Sharpie markers – these will go into the pencil case
- 1 ream of colored copy paper – if possible
- Crayola colored pencils & classic markers
- In an effort to "Go Green," we are asking that students only use a **reusable water bottle**. Often Poland Spring types of bottles get lost and are wasted because we have to throw them away. Reusable bottles are good for your wallet and our environment! **AND... PLEASE write the student's name on the bottle as even those can be unclaimed when found.**

Some items, such as pens & pencils, will need to be replenished periodically so we recommend that you check in with your child every now and then to see how their supplies are holding up. Often, students come unprepared and therefore cannot actively participate in their learning or complete their work.

In order to keep the students, and teachers, healthy throughout the year we request donations of antibacterial wipes (Clorox, Lysol, etc.) that will be used to clean desks, chairs and lockers and tissues.

We look forward to meeting you all at the end of August! Don't forget to bring your Summer Reading on the first day!
