

## 6 Optical Illusions Spheres the Easy Way

artful.artsy.amy@gmail.com

Grades 2-6

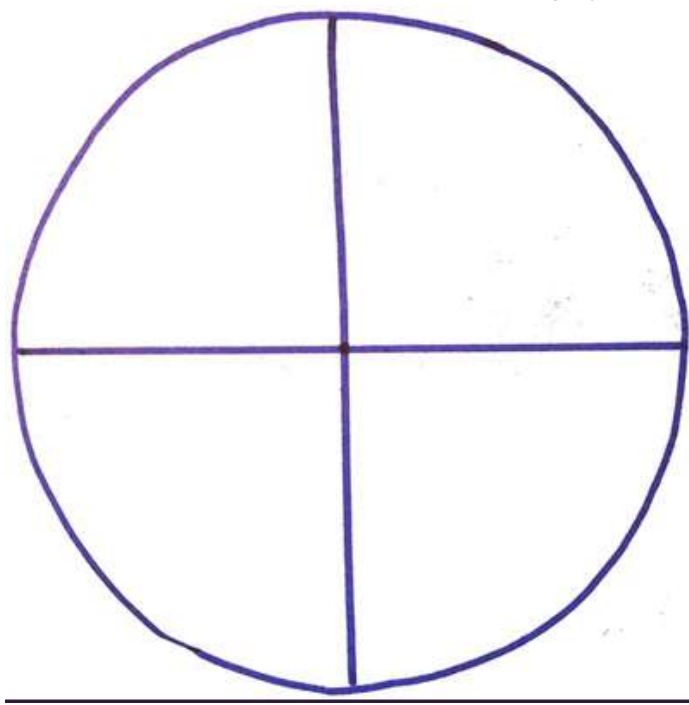

45 - 60 minutes

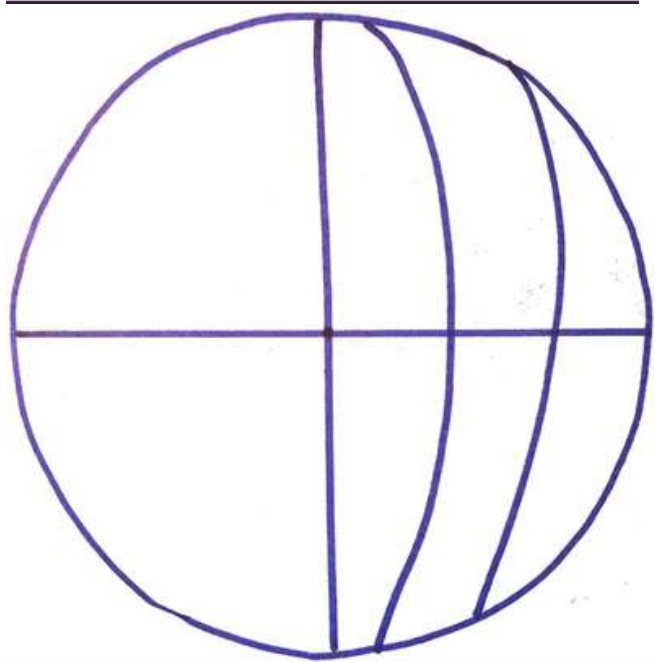

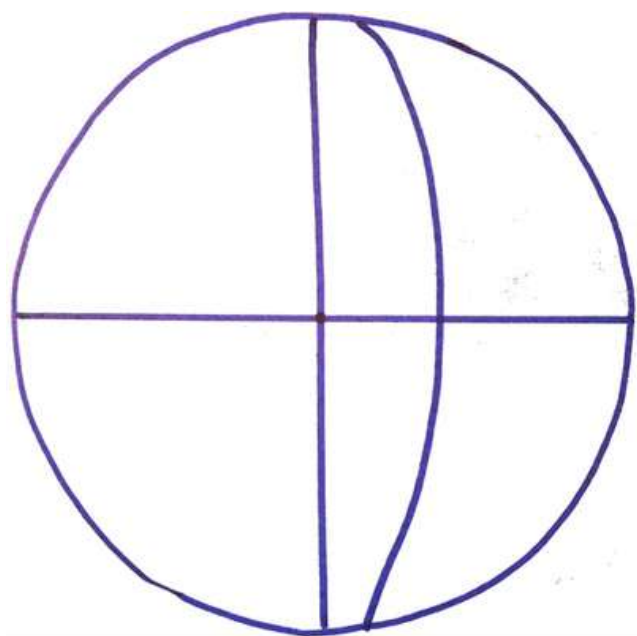

Pencils and crayons or colored pencils

No technology required

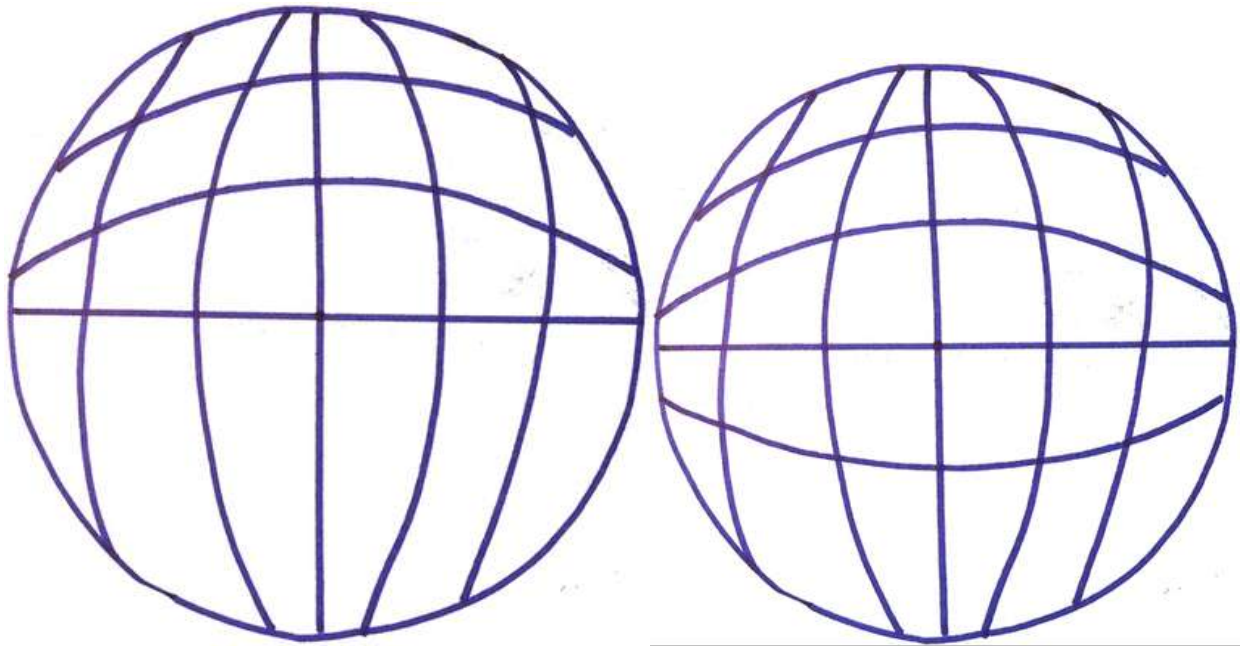

**Lesson Steps** (add more steps as needed)

1. Get a 8.5 x 11 sheet of paper
2. Draw 2 circles on your paper
3. Follow the picture directions below to design your circles.

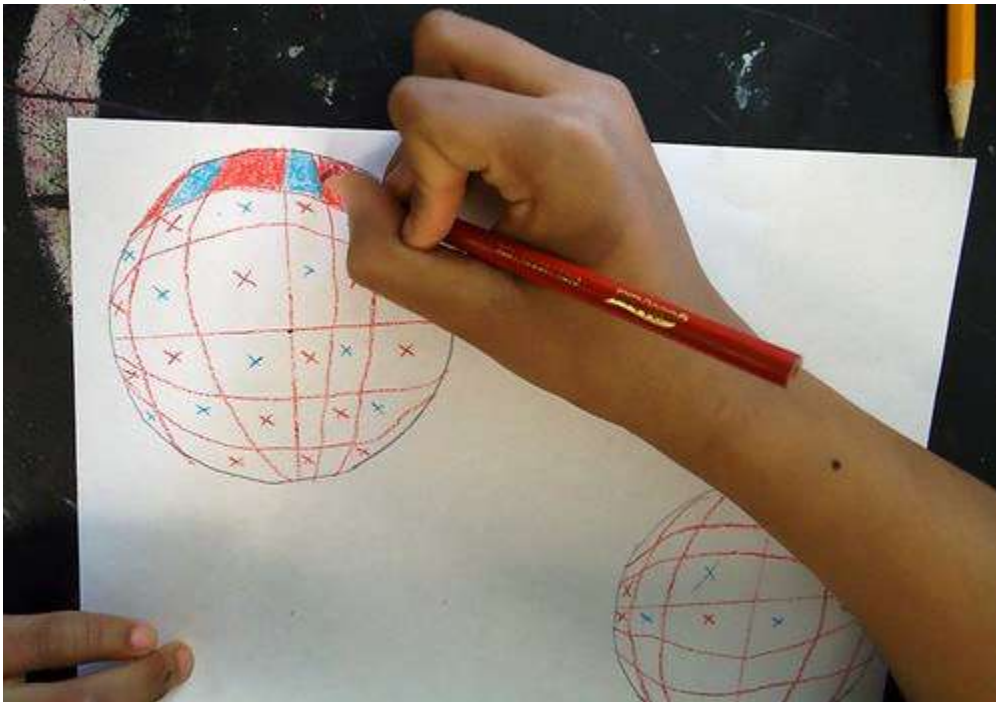

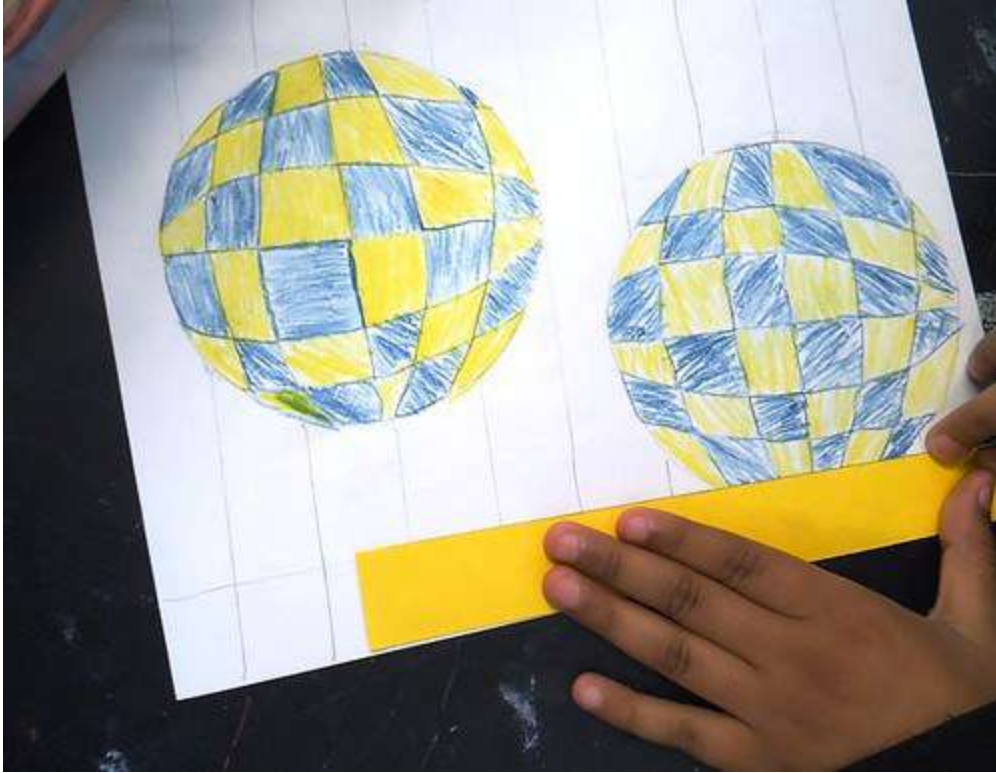

4. Color your circles

5. If you have time, use a ruler to draw a checkerboard behind your circles. And color the checkerboard

6. Use a black or brown colored pencil or crayon to create a shadow behind your circles.
