6th Grade Band –Enrollment

Please return by May 2nd

My student is planning on enrolling in 6th grade band. I understand that all students will have the opportunity to try every instrument and more information will be made available when my student is assigned the best instrument for him/her and the size of the band. All rehearsals will take place during the school day and there are three evening concerts that students will be required to attend for a grade. The tentative date for the parent informational and instrument rental meeting is August 21, 2018.

Band is a yearlong class and requires a parent's signature to enroll. Your signature below gives your student permission to join band.
