February 7, 2024

Dear Future RMS Knight(s) Families,

On behalf of our staff at Richards Middle School, we would like to formally invite you and your child to Richards Middle School on the evening of **Thursday, February 22nd** at 6:00pm. The purpose of this evening is to introduce you and your child to their future school, a glimpse into the selective curricular courses we offer, and a tour of the 7th grade subject areas/selective designated classrooms. Our sixth-grade parents and guardians will meet in the RMS gymnasium to start their 6th grade night while our sixth-grade students will meet in the cafeteria. Our parents and guardians of students who have IEP's can visit our **ASC room in room 105** from 5:30pm-5:50pm to meet with members of SE team.

Our 6th grade night presentation will start promptly at 6:00pm. Our parents' presentation will be in the gym to hear an opening message from our RMS admin. team, listen to informational presentations, meet our core subject academic department heads, and have an opportunity to see our 7th grade academic classrooms. Our students will be grouped by schools in the cafeteria to start their presentations of our selectives offerings. Our goal is to provide you and your child with an understanding of our RMS vision and mission statements through our academic and social emotional supports and experiences.

Our RMS counselors will visit each elementary classroom beginning **Monday, February 26th** for the 2023-24 school year and **Wednesday, February 28th** to assist students in filling out their schedule forms. Students are to return their schedule requests to their 6th-grade teacher no later than **Friday, March 1st**.

Counselors will again help with inputting the course requests at the elementary schools beginning **March 4th through March 6th**.

Sincerely,

Mr. Huston Julian
Proud Principal of Richards Middle School

6th grade night 2024 at RMS Families Schedule

6:00pm-6:10pm - Welcome to 6th grade Night and overview of our RMS student/families' handbook with the principals in the gym

6:15pm-6:30pm- Informative presentation on internet safety in the gym

6th grade RMS Orientation Tour '24

Each school's students will hear about our RMS selective offerings. The selective teacher will give a brief synopsis of the class and will highlight some of the key activities that students can look forward to as 7th graders at RMS. The sixth-grade students will have the opportunity to see the selective classrooms.

At the end of our 6th grade night, our parents and guardians will connect with their students at these locations:

Edison and Salk students will meet in the cafeteria at the conclusion of our 6th grade night.

Eisenhower and Twain students will meet their families in the gym at the conclusion of our 6th grade night.

Disney and Emerson students will meet in the media center common area at the conclusion of our 6th grade night.
