Dear Future Knights,

Transitioning from elementary school to middle school can sometimes feel overwhelming. It is easy for us to get caught up in false realities about what middle school life is actually like based on what we see on TV or hear from others. In an effort to help our rising sixth grade students transition successfully we are hosting three separate 6<sup>th</sup> Grade Transition Camps this summer.

During each camp students will have an opportunity to meet new students, work through team building activities, tour the entire school, and begin forming relationships with their new administrators and guidance counselor. Additionally, we will have several eighth grade students on hand to answer questions or address concerns from a student perspective. Our ambassadors can share with you how important it is to find ways to become an active member of the school community and discuss with them the many opportunities that sixth grade students have through clubs and intramurals.

The dates and times of each session are listed below. Please choose one of the dates and return this form to your child's current teacher by May 31<sup>st</sup>. The forms will be sent to CHMS once school dismisses for the summer. Snacks will be provided and we ask that you list any food allergies your child may have that we need to be aware of. If for any reason your summer schedule changes and you need to change the date please contact the school and we can be sure to add your child to a different roster.

My child, \_\_\_\_\_ will attend:

\_\_\_\_\_ June 20<sup>th</sup> 8:30-12:30

\_\_\_\_\_ June 26<sup>th</sup> 8:30-12:30

\_\_\_\_\_ July 25<sup>th</sup> 8:30-12:30

Emergency Contact Name and Number \_\_\_\_\_

Please list any food allergies your child has.

In closing, we look forward to working with and watching your child thrive during his/her middle school years. If you have any questions about the camp, or about the school in general please do not hesitate to contact us. If the dates of the camps conflict with your summer schedules there will be another opportunity later in the summer for your family to tour the school.

Sincerely,

John C. Kirell  
Principal
