Use this paper as a checklist and cross off items you complete.

Keep this taped to your drawing.

1. Come up with a THEME (video games, candy, sports, etc) and title this paper with the theme. You will turn this paper in with your project.
2. 1 Street
3. 2 Sidewalks (on each side of the street)
4. 5 buildings taking up most of the paper space
5. Windows/doors on all buildings
6. At least 2 of the buildings have to have a building material (brick, siding, wood, metal etc.) on them
7. Add at least 10 extra details such as signs, balconies, welcome mats, awnings, street signs, billboards, etc. that utilize your ruler and vanishing points.
8. Get really creative and ADD ADD ADD anything that relates to your theme! The More the better! These do not have to go to the vanishing point.
9. Add color.
