

7th Grade Animal Project

***Help! Where do I find information
about animals in the NCMS library?***

No worries...

- Books

- Endangered Animals—333.95
- General Animals—590 – 599.999
- Biomes—508, 551, 574-578
- Reference 333.95 & 500s
- Use White Source Cards to record info.

Subscription Databases

- World Book Online
 - WAY better than Google
 - Saves time
 - Connects at school
 - Username and password needed for home
 - Does the citations for you!!!
 - No Source Card needed – highlight, copy, paste into bib. document.

Subscription Databases

- eLibrary

- Can count as several sources
- WAY better than Google
- Saves time
- Connects at school
- Username and password needed for home
- Does the citations, too!!!
- Highlight, copy, paste into bib. document

Discoverer

- Can count as several sources
- WAY better than Google
- Saves time
- Connects at school
- Connect from home using public library card and public library webpage
- Partially does citation for you, you put info into correct citation format.
- Or can use Purple or Blue source cards (magazine or newspaper(Purple)
Ref.books(Blue))

Validated Websites

- [National Geographic](#)
- [Discovery](#)
- Use Pink Web Source Card

University of
California
Museum of
Paleontology

Academic Honesty

- Don't be guilty of plagiarism
 - Take notes, use key words, then rewrite in your own words
 - Combine info from various sources
 - Cite your sources
 - Cite your photos with a caption

Bibliography

- MLA format
- Use the citations, if provided
- Citation Maker
- Easy Bib
- Citation Machine
- Google Docs
- Gaggle Docs
 - Pick one!
