

7th Grade Students
Coulwood Middle School
500 Kentberry Drive
980-343-6090
May 4, 2021

Dear Parent or Guardian:

As we approach the end of a most unusual school year, we would like to share information on the expectations for students to participate in end-of-year testing. Unlike spring 2020, students are expected to take the following tests.

- End-of-grade tests in reading and mathematics

Unfortunately, it is not possible to have students take these tests at home. Students will take these tests in person, in school, with health and safety protocols in place. The well-being of our students, teachers, and communities is the highest priority. To support safe settings and to give students access to the tests, the testing window has been extended so fewer students are in a school at the same time.

Beginning on May 12, all Coulwood STEM Academy students will move to FULL REMOTE. All students are required to come to school in person *only* on their specified testing dates. Please see calendar below:

Wednesday, May 12- 7th grade Reading EOG

Thursday, May 13- Remote

Friday, May 14- 7th grade Math EOG

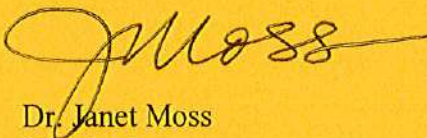

Monday, May 17 - Friday May 28- Remote

Students are expected to log in for school EVERY DAY when not in school testing.

- Students need to be at school before 8 am.
- We will begin testing promptly at 8:15.
- Any students arriving late will not be permitted to test.
- Full Remote Academy students will need a ride to school, unless they submitted a request through the transportation survey that was due last week.
- Students may be picked up after testing is complete.

If you have any questions or concerns please contact the school.
Thank you for all that you do for your students!

Sincerely,

Dr. Janet Moss
Principal
