

7th Grade Remote Learning Parent Update

Week of: April 20

Hi ARMS Families,

This weekly document is created to help you monitor and support your child(ren) at home with their remote learning. Each week you will receive an update by subject area of the learning that your child will be participating in and the assignments that they will be working on and need to submit by 11:59 PM each Sunday. Please reach out to your child's subject area teachers, grade level administrator or counselor if you have any questions or concerns.

Sincerely,

Albemarle Road Middle School Staff

Subject Area	This Week's Skills I CAN...	This Week's Assignments Students will complete:

<p>Band</p> 	<p>I can . . .</p> <ol style="list-style-type: none"> 1. Play various articulations (staccato, marcato, & tenuto) in a single line 2. Identify a key signature 3. Construct a key signature 	<p>I will complete:</p> <ol style="list-style-type: none"> 1. Discussion 3 2. SmartMusic 3 (Can-Can) 3. Music Theory 3
<p>Orchestra</p>		

CTE

Dance

Computer Science Discoveries

I CAN use coding for basic programming.

I CAN Build and share my own app in the App Lab using features like buttons, text, images, sound, and screens.

Exploring Business Procedures & Leadership

Use Occupational Outlook Handbook on the internet to research Careers

I can explain what factors contributed to the creation of Tango/Samba dance in Latin America.

Computer Science Discoveries

Students will program an app in App Lab via Code.org

Exploring Business Procedures & Leadership

1-Watch Cnn10.com video and write summary (5-7 sentences)

2-Edutyping Section 1 & Section 2

3-Use Occupational Outlook Handbook on the internet to research a career of interest

Complete Unit 2 review module on Canvas (practice quiz, factile jeopardy during Zoom meetings, and post review quiz)
