

# 7th Grade Summer Reading

Over the summer you are required to read at least one narrative book that is 150 pages or more. You'll need to take notes on this book and bring your page of notes to school with you when asked next year. We've provided a notes sheet for you and a list of great book choices. You are welcome to choose any narrative book you want, even one not on our provided list. The book you choose should be one you have not yet read. *Tip: If you're an avid reader, make the book you use for this assignment one of the last books you read over the summer.*
