

7th Grade Winter Concert Lyrics: Baritone

Tuimbe:

Tuimbe, tucheze sote.

Tuimbe, tucheze sote.

Tuimbe, tucheze sote.

Tuimbe sote, let there be.

*[Sopranos and Altos: Let there be music, let there be,
Music that lives inside of me.
Let music ring from sea to sea.
Let there be music, let there be.]*

Tuimbe, tucheze sote.

Tuimbe, tucheze sote.

Tuimbe, tucheze sote.

Tuimbe sote, let there be.

In the whisper of the wind,
Newborn baby's cry,
In ev'ry corner of the world,
Let there be music, let there be.

In the quiet of the night,
Pouring of the rain,
In the thunder from the sky,
Let there be music, let there be.

Let there be.

Let there be music, let there be,
Music that lives inside of me.
Let music ring from sea to sea.
Let there be music, let there be.

Tuimbe, tucheze sote.

Tuimbe, tucheze sote.

Tuimbe, tucheze sote.
Tuimbe sote, let there be.

Let there be music,
Let there be,
Let there be,
Let there be!

What A Wonderful World:

*[Sopranos and Altos: I see trees of green, red roses too,
I see them bloom for me and you,]*

And I think to myself,
What a wonderful world.

I see skies of blue and clouds of white,
The bright blessed day, the dark sacred night,
And I think to myself,
What a wonderful world.

[Sopranos and Altos: The colors of the rainbow, so pretty in the sky,]
Are also on the faces of people goin' by,
I see friends shakin' hands, sayin' "How do you do!"
They're really sayin' "I love you."

I hear babies cry, I watch them grow
They'll learn much more than I'll ever know
And I think to myself,
What a wonderful world.

Yes, I think to myself,
What a wonderful world.

Skyfall:

*[Sopranos and Altos: This is the end.
Hold your breath and count to ten.
Feel the earth move and then
Hear my heart burst again.]*

For this is the end,
I've drowned and dreamt this moment,
So overdue, I owe them,
Swept away, I'm stolen.

Let the sky fall.
When it crumbles,
We will stand tall,
Face it all together.
Let the sky fall.
When it crumbles,
We will stand tall,
Face it all together,
At sky fall,
At skyfall.

Skyfall is where we start,
A thousand miles and poles apart,
Where worlds collide and days are dark.
You may have my number,
You can take my name,
But you'll never have my heart.

Let the sky fall.
When it crumbles,
We will stand tall,
Face it all together.
Let the sky fall.
When it crumbles,
We will stand tall,
Face it all together,

At skyfall.

Let the sky fall.
When it crumbles,
We will stand tall.

Let the sky fall.
When it crumbles,
We will stand tall.

Where you go I go, what you see I see.
I know I'd never be me without the security
Of your loving arms keeping me from harm.
Put your hand in my hand and we'll stand.

Let the sky fall.
When it crumbles,
We will stand tall,
Face it all together.
Let the sky fall.
When it crumbles,
We will stand tall,
Face it all together,
At skyfall.

Let the sky fall.
We will stand tall
At skyfall.

At skyfall.
