STUDENT RULES FOR WASHINGTON TRIP

1. Behavior of mature teenagers is expected at all times. Remember you represent Point Pleasant Borough Middle School, your community, and your parents.
2. Each bus is assigned a professional tour guide. You are to stay with him/her and your teacher chaperone unless you are directed otherwise. You are to leave the bus in a quiet and orderly manner, meet your chaperone, take the tour and return to the bus in your chaperoned group. Absolutely NO RUNNING at any time.
3. **On the Bus:**
 - Garbage receptacles will be placed on every bus. Students are to see that all paper, etc. are picked up before leaving the bus.
 - Once partners and bus seats have been selected, the choice remains throughout the entire trip. If problems arise that necessitate changes, the change will be made by the chaperones.
 - Cooperate with the bus driver at all times. Listen to instructions before leaving the bus. Remain seated at all times. When the bus stops, remain seated and await instructions.
 - Always be prompt. Be on your bus, seated and ready to depart at the appointed time. All tours are on schedule.
 - Don't stray from the group.
4. **In the Hotel:**
 - Keep doors locked at all times when in or out of your room. The Room Recorder should always have the key; be sure to work together and remind each other what is needed when leaving the room.
 - The room should be kept neat and clean at all times.
 - Do not leave rooms or visit other rooms at any time without permission from a chaperone.
 - When arriving, check your room; if anything is broken or damaged, tell a chaperone right away.
 - Students may not use the pay TV movie channel or beverage cabinet. Any extra charges incurred will not be paid for by the school.
 - Rooms will be checked before we depart. Any damage will be paid by the group involved. **(A room deposit of \$10.00 cash from each student will be collected on the bus on the way to D.C.).** If the room is said to be in the same condition as it was to start, the deposit will be returned on Friday.
 - Private school security will be provided at the Hotel.
5. All school rules will remain in effect while traveling. Discipline issues will be dealt with during the trip with a possible consequence to occur upon return to school.
6. If an emergency or if any problems arise, you are to contact the nearest chaperone as quickly as possible.
7. Remember - you are directly responsible to your chaperone at all times and owe them respect and every courtesy.
8. **At the Dinner Dance:**
 - Appropriate attire is required; it is a semi-formal event.
 - Choose a table, wait to be called to the buffet, and keep your table/area neat and clean.
9. **When Touring:**
 - Be careful and aware of your surroundings; AT NO TIME are you to be alone - you should be with a peer/group member at all times.
 - Be sure to meet with your chaperone at the designated times/places.
 - Keep personal belongings and food vouchers somewhere safe - the school is not responsible for lost, broken or stolen items.

Remember: We are making every effort to make this year's trip a memorable educational and social experience for everyone. It is necessary to establish those rules and expectations to ensure an orderly, safe and successful trip. Our desire is that students have the best possible time within that framework. We are proud of this class and would like to leave Washington, D.C. giving the people there the same impression.
