

CHAMPLIN PARK HIGH SCHOOL

JANUARY 27, 2015

Registration Information Evening for 8th Grade Students and Parents

CPHS will be hosting an evening event on January 27, 2015 to provide 9th grade Registration Information. All students and parents in our attendance area are invited to this program. During this evening, there will be department specific sessions as well as a general registration review session. The first session starts at 6:30 with the evening concluding at 8:05. You will be provided the specific schedule when you come in our doors that evening

If you are not attending an Anoka Hennepin school in 8th grade, please see a staff member that evening and we will provide you with registration and enrollment forms. We do send these materials to the following schools:

Athlos Academy

St. Alphonsus

St. Stephens

St. Vincent De Paul

Students in our district will complete their registration at their middle school; families new to the district will need to return their enrollment form/registration form to Champlin Park.

If you cannot attend this program and need to enroll and register at CPHS for next year, please contact the following staff:
