ACP ~ 4 Year Planning ~ Selecting Courses

What do you need to know or consider before choosing classes?

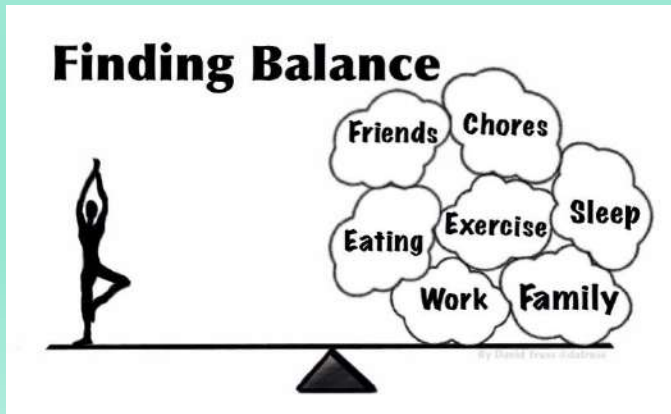

- Explore your interests
- Understand your academic aptitudes/abilities
- In future years there are experiential learning opportunities available (Job Shadows, Apprenticeships, Co-op's, Clinical Training, Volunteering)
- Consider your post high school goals that you may be thinking about.
- Identify KHS Graduation Requirements that you need to fulfill.
- Review the coursebook and new courses available.
 - Understand what courses are about and their prerequisites.

ACP ~ 4 Year Planning ~ Selecting Courses

What do you need to know or consider before choosing classes?

- Talk to current teachers about recommendations they have for you.
- Consider the information discussed at your 8th Grade Conference.
- Take a variety of classes that help you explore your interests and your top Career Clusters.
- Seek feedback from your parents.
- Don't be afraid to take a class that may challenge you, as it could become a new strength or interest for you.
- Determine if your schedule is well-balanced.

Career Pathways

- Add an active activity for use of Pathways

KHS GRADUATION REQUIREMENTS

•English	5 credits
•Mathematics	3 credits
•Science	3 credits
•Social Studies	3 credits
•Physical Education	2 credits
•Finance (11 th & 12 th)	.5 credits
•Health	.5 credits
•Electives	<u>11 credits</u>
	28 Credits

Laude System

- The purpose of the Laude System is to reward graduating students who perform at a high academic level and choose highly academic courses.
- Students must have an Indexed Cumulative GPA of 3.4 or higher to be considered.
- Courses with a designations of AP, Honors, CAPP and CLEP all earn 1 laude point for every .5 credit earned.
- Students earning Laude Distinctions will be recognized with stoles at graduation.

For more information, please refer to the online KHS Course Book.

Grade Indexing 101

- .025 Is added to the student's GPA for each $\frac{1}{2}$ credit that they are enrolled in an INDEXED Class.
- Courses that are indexed are labeled as AP (Advanced Placement), CAPP, CLEP and Honors.
- Example
 - Cindy takes AP Human Geography and earns a "B" for each quarter. She has earned a 3.0 GPA for each quarter. Her indexed GPA will be 3.025 for each quarter as this is a two-quarter course. Also, she also has earned 2 Laude Points.

Indexed/Laude Courses Available To Freshmen

- AP Human Geography
- AP Computer Science Principles
- Honors English 9
- Honors Biology

Opportunities for earning College Credit

CAPP (7) ~ CAPP stands for Cooperative Academic Partnership Program. Our teachers are certified to teach their curriculum so our student can earn college credit from UW Oshkosh. These credits may be transferred to other colleges by sending a transcript from UW Oshkosh to your destination college.

CLEP (2) ~ CLEP stands for the College Level Examination Program. **CLEP** exams help students earn college credit for what they already know, for a fraction of the cost of a college **course**.

AP (20) ~ AP stands for Advanced Placement. Students complete our curriculum and then take the AP Exam in the spring and if they earn a 3 or higher on the exam, can earn college credit. The cost of the AP Exam for this year was \$95.

Transcripted Credit (14) ~ Transcripted Credit is also known as dual enrollment courses. A student in high school signs up for a course that has an agreement with a post-secondary institution and if they meet the requirements of the course, the student receives high school and college credit...for free!

Advanced Standing (1) ~ Advanced Standing is the recognition of previous successful study which may be relevant and may be applied to a program at a technical college. These classes can be credited to your technical college program and could reduce the number of subjects you need to complete to earn your certification and/or degree.

Career Planning (CP) Opportunities

Block Scheduling

1st Block ~ 90 Minutes

2nd Block ~ 90 Minutes

3rd Block ~ 90 Minutes

Lunch ~ 45 Minutes

4th Block ~ 90 Minutes

(Extended learning Wednesday)

Sample Schedule

Non-Band or Choir Schedule

	<u>Quarter 1</u>	<u>Quarter 2</u>	<u>Quarter 3</u>	<u>Quarter 4</u>

New Online Learning Opportunities for 2023-24

KHS is offering the following online courses that any in-person student or online student can request for next year.

These courses will be taught by Kimberly High School Teachers

Foundations of Game Design 1a Intro ~.5 credit

Foundations of Game Design 1b Storytelling ~.5 credit

Earth Space Science S1 ~.5 credit

Earth Space Science S2 ~.5 credit

Intro to Programming ~.5 credit

Game Creation ~.5 credit

Web Design ~.5 credit

Note: These courses will all have a **0 credit value in Xello**. Students need to add any of these courses into Xello prior to reaching the max credits which is 8 for 9th Graders. After all students have submitted their course requests, course availability will be determined, and schedules will be adjusted. The above courses can be found in the **KHS Online Courses Department**.

Scheduling Instructions

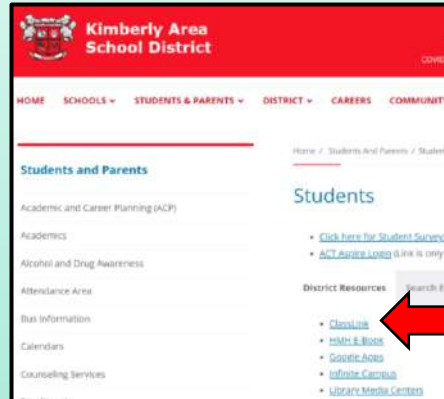

[Scheduling Video](#)

1. Login to email and go to the [district website](#)

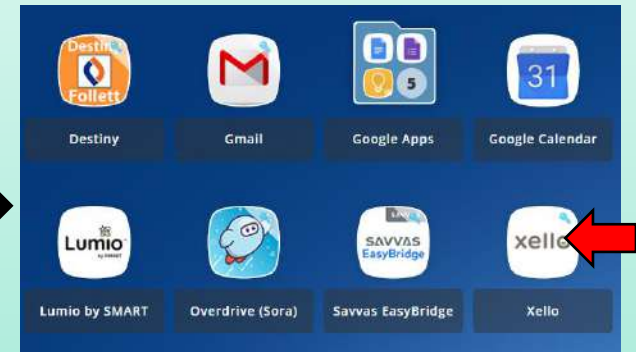

2. Select **Student Resources**

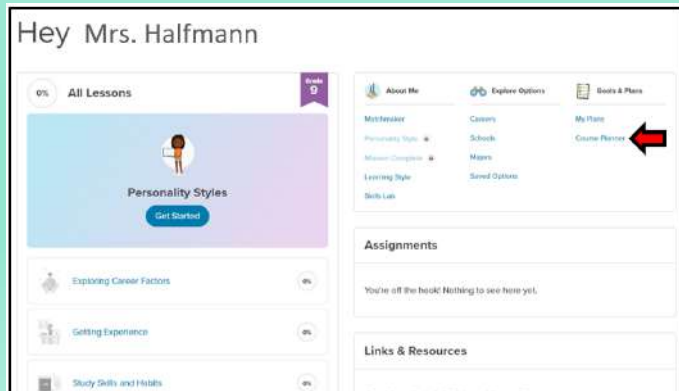

3. Select **ClassLink**

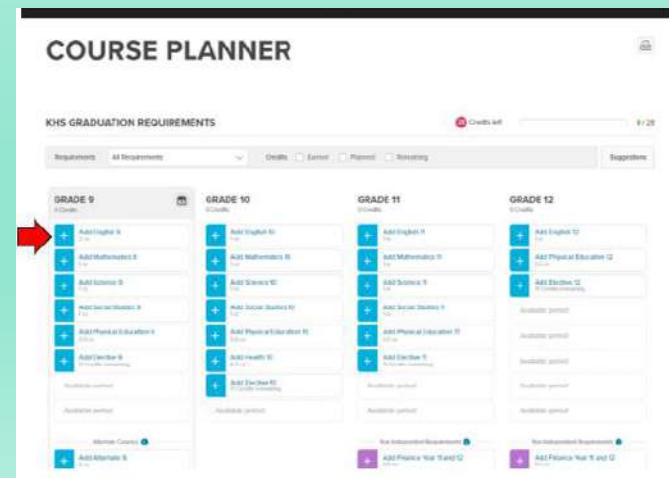

4. Select **Xello**

5. Select **Course Planner**

6. Make selections (Click on +)

- When choosing courses, you only need to enter in classes for next school year. You can plan courses for future years, but those classes will not be scheduled at this time.
- If you enter a course and a **blue alert** pops up, there is a note to read regarding the course. Typically, this relates to a course fee. You are still able to register for this course.
- The Grade Level highlighted in Grey is the year the student is scheduling for.
- If you enter a course and a **red alert** pops up, there is a pre-requisite issue. You need to remove that course from your plan and add another selection in order to submit your requests.
