

**2022
BOULAN PARK MIDDLE SCHOOL
EIGHTH GRADE
SUMMER READING ASSIGNMENT**

Name _____

During the summer prior to 8th grade, you must read two books of your choosing, each in a different genre. This will help you maintain your reading skills and prepare for the coming year.

These books should contain 200+ pages each and be books you have not read before. Try to choose books that interest and challenge you.

You will have assignments based on these books in your English class when you return to school in the fall.

There are two graphic organizers that should be filled out as/after you read. These can be used during the assignments in the fall.

List the books you read this summer below and bring this sheet to your first full day of class.

	Title	Author	Genre
1			
2			

****NOTE:** The two graphic organizers will be collected for a grade during the first full week of 8th grade.

Graphic Organizer for Choice Novel #1
