FRESHMAN
ACADEMY

Welcome to Freshman Academy!!

My Place, My Path, My Future

One Academy, Two Teams

As a 9th grader, you will be assigned to one of two teams:

Alpha

OR

Omega

*You do not need to (and are not able to) request a team during registration. Registering for certain classes will not make it more likely for you to be in one team over the other. Your team will be randomly assigned to you.

Being on a team, allows you to:

- Have a home base in the high school
- Get to know the same teachers
- Get to know the same students
- Reduce how far or often you need to travel to other areas of the high school

Block Schedule

Block - longer amount of time in one class

Next year: 4 blocks (classes) per quarter

About 86 min class periods

Below is a sample of our block schedule

Quarter 1	Quarter 2	Quarter 3	Quarter 4
Block 1: Core	Block 1: Core	Block 1: Core	Block 1: Core
Block 2: Core	Block 2: Core	Block 2: Core	Block 2: Core
Block 3: Elective	Block 3: Elective	Block 3: Elective	Block 3: Elective
Block 4: Elective	Block 4: Elective	Block 4: Elective	Block 4: Elective

1 quarter = semester class

2 quarters = year long class

*few exceptions to AP courses which are 3 quarters

Graduation Requirements

Graduation Requirements	Class of 2023 & Beyond (9 th Grade) (Fall of 2019)
English	8
Health	1
Mathematics	6
Physical Education	2
Science	6
Social Studies	8
Fine Arts	2
Freshman Seminar	1
Financial Literacy	1
Program of Study (3 Course Sequence)	3
Total Required Credits	38
Total Elective Credits	18
Total Credits Required to Graduate	56

- To fulfill Science requirement for graduation, you must take Physics, Chemistry & Biology
- To fulfill Math requirement, you must complete 6 credits of math and at minimum complete FST or Accelerated Alg 2

English

★ Graduation Requirement: 8 credits

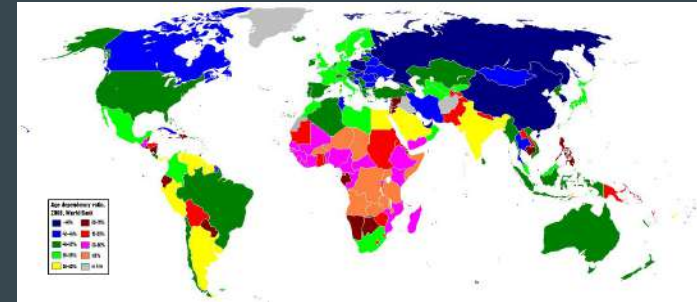

Classes: English 9 OR Accelerated English 9

English (2 quarters, 2 credits)

Accelerated English 9 (2 quarters, 3 credits)

- Curriculum includes 9th and 10th grade English standards
- Students who are currently in an accelerated track will automatically be placed into accelerated classes in that track (unless they select out)
- Standardized test scores and current grades will be reviewed to invite newly qualified students in the Spring

Social Studies - Human Geography

★ Graduation Requirement: 8 credits

Classes: Human Geography OR AP Human Geography

Human Geography (2 quarters, 2 credits)

AP Human Geography (2 quarters, 2 credits)

- AP Human Geography is open to any student willing to take on the challenge of an AP course
- AP (Advanced Placement): College level course, offered with opportunity to earn college credit by passing an exam in the Spring (must score 3 or higher). AP is a weighted GPA course.

Science - Physics

★ Graduation Requirement: 6 credits

Classes: Physics OR AP Physics I

Physics - (2 quarters, 2 credits)

AP Physics I - (3 quarters, 3 credits)

- AP (Advanced Placement): College level course, offered with opportunity to earn college credit by passing an exam in the Spring (must score 3 or higher). AP is a weighted GPA course.
- *Only students taking Accelerated Algebra 2 or higher math can take AP Physics

Math

★ Graduation Requirement: 6 credits

Based on the math course you are currently in, and your standardized test scores, you will select one of the following:

- Algebra
 - If student did not pass or did not take algebra in 8th grade. This course does not count as a required HS math credit. This would count for 'elective' credit.
- Geometry - typical 9th grade course
- Algebra 2 or Acc. Algebra 2 - accelerated 9th grade courses
 - Student must complete Geometry prior to moving on to Acc. Algebra 2

Freshman Seminar

★ Graduation Requirement: 1 credit

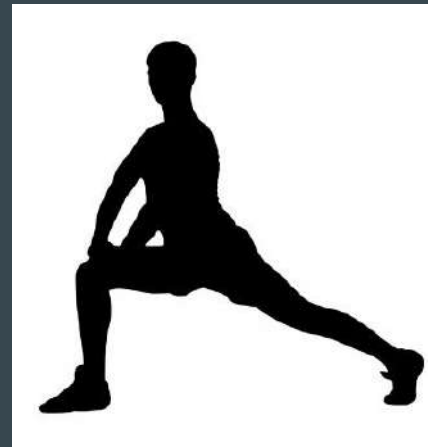

★ A class for 9th graders to build academic skills, connect with the Shakopee High School Community, and examine how future goals connect to current academic choices

★ All 9th graders will take a Freshman Seminar course that will meet every other day for the first two quarters (1 credit)

- Freshman Seminar will alternate with another class
- The class it alternates with will be determined after registration by administration

Physical Education

★ Graduation Requirement: 2 credits

Classes: Fit for Life OR Intro to Sport Performance (1 credit)

- MUST take physical education in 9th grade
- Additional physical education credit will be taken between 10-12th grade
- See course guide for descriptions

Fine Arts

★ Graduation Requirement: 2 credits

- See page 7 in the guide for complete list of classes that fulfill your Art requirement
 - Media Art
 - Music
 - Theater
 - Visual Arts

World Languages

- NOT REQUIRED for graduation from Shakopee
- RECOMMENDED 2+ years for 4-year college

➤ Options:

Electives

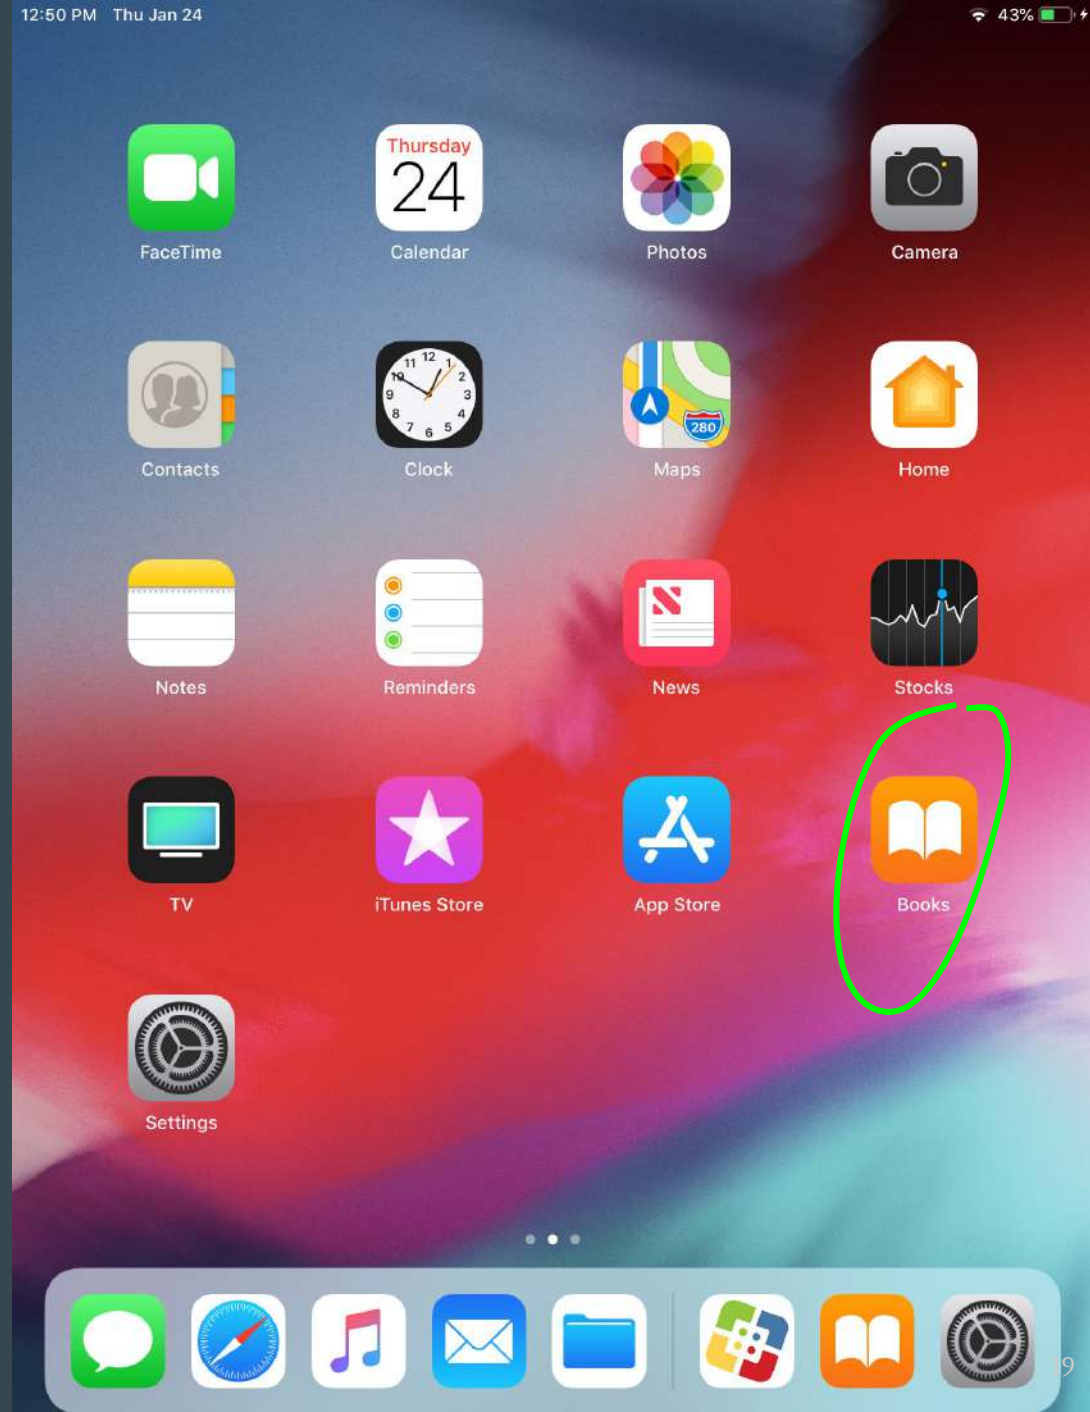

★ Graduation Requirement: 18 credits

- Explore courses in multiple Academies
- Ask upperclassmen & teachers about course options
- Choose courses that are valuable and interesting to YOU
- Read about the courses in the registration guide

How to Register:

Step 1: Download registration guide

1. Go to iBooks

2. Go to Library - The High School Registration Guide is saved in your books!

Step 2: Read through registration guide

Understanding your Registration Guide

Interior Design

Grade Level: 9,10,11,12

Credits: SHS: 1 Credit

Prerequisite: None

Program of Study: Arts & Communication - Elective

Description: When you walk into a room, do you imagine a new design? Do you want to re-create the space in your own way? In Interior Design I, you will learn the basics of designing spaces for the interior and exterior of homes. This course will emphasize designing and drawing floor plans, types of furniture and furniture layout, window treatments, wall coverings, the history of housing, and the elements and principles of design. These skills will guide students to creatively and knowledgeably design rooms. Students will create floor plans and presentation boards that reflect their creativity as an interior designer.

AP Studio Art – A & B

Grade Level: 11,12

Credits: SHS: 2 Credits

College: Possible college credit with a score of 4 or higher on a portfolio of work submitted to the College Board.

Prerequisite: Advanced Art Studio (must register in same academic year) This is an independent study course.

Description: This class is designed for students who are seriously interested in the practical experience of art and want to focus on medium. For this course, in lieu of an AP exam, students will submit a portfolio of work to the College Board for potential college credit.

The AP Program offers three portfolios: Drawing, 2-D Design, and 3-D Design. The portfolios share a basic, three-section structure, which requires the student to show a fundamental competence and range of understanding in visual concerns (and methods). It is recommended that some students provide their own materials for their medium.

Refer to “Grade Level”. Is the class offered in 9th grade?

Refer to “Prerequisite”.

Refer to “Infographic Key” if you are wondering what the symbols mean.

Registration Worksheet - Instructions for East/West

1. Fill out based on interests
2. Show and discuss with parents / guardians
3. Have parents / guardians sign it
4. Attend the parent registration info night
5. Turn into advisory teacher
6. Register on Infinite Campus in advisory

Step 4: Registering on Infinite Campus

#1 - Log in to your Campus Portal

#2 - Click on “Academic Planner”

The screenshot displays the Infinite Campus student portal for a user named John. At the top, the student's name "John" is visible, along with their "Student Number: 773660" and "Grade: 09". On the left side, there is a vertical navigation menu with various options: Calendar, Schedule, Responsive Schedule, Attendance, Grades, Health, Assessment, **Academic Planner** (highlighted in blue), Academic Progress, Transportation, and Reports. Each menu item has a right-pointing arrow. To the right of the menu, there are sections for "District Announcements - 3 messages" and "School Announcements - 1 message". The district announcements section includes a date "[03/04/2015]" and text about "Campus Census Self Service" and "Food Service". A yellow arrow points from the right towards the "Academic Planner" menu item.

Step 4: Registering on Infinite Campus

#5 - Make sure you have 16 total courses selected plus 4 alternatives.

#6 - Save - read alerts carefully

The screenshot displays the Infinite Campus user interface. On the left is a navigation menu with categories like Bryce, Academic Planner, Academic Progress, Transportation, Fees, To Do List, Reports, Family, Messages, Discussions, Household Information, Family Members, Fees, and Food Service. The main content area shows a course plan for a student named Bryce. It includes sections for English (2.00 / 2.00), Mathematics (2.00 / 2.00), and Science (6.00 / 6.00). A modal dialog box is open in the center, titled "shakopeemn.infinitecampus.org says:", with the message "Course Plan was saved." Below this, it lists unmet requirements: "The following Academic Program requirements were not met:", "Minimum Credit Requirements not met:", "Course Requirements not met:", and "Grade level Credit Requirements not met:". At the bottom of the dialog is an "OK" button and a checkbox labeled "Prevent this page from creating additional dialogs." The background interface shows a search bar and a table of courses with their respective credit values.

shakopeemn.infinitecampus.org says:

Course Plan was saved.

The following Academic Program requirements were not met:

Minimum Credit Requirements not met:
Not enough credits selected in English to meet the minimum plan requirements.
Not enough credits selected in Social Studies to meet the minimum plan requirements.
Not enough credits selected in Physical Education to meet the minimum plan requirements.
Not enough credits selected in Alternates for grade 12 to meet the minimum plan requirements.

Course Requirements not met:
Course Requirement not met: Student needs to complete one semester of an Economics course as a senior

Grade level Credit Requirements not met:
Grade 12 does not have enough credits planned.

☐ Prevent this page from creating additional dialogs.

OK

Things to Remember!

- Click “*Save*” at the top
 - If you are unable to save due to an alert, please communicate with counselor
- Read Alerts carefully when saving
- Must have a total or minimum of 16 “*credits*”
- Count 16 total classes (4 each quarter), plus 4 alternates filled in
- Focus on the next school year for actual registration, but you can add classes for future years as you feel comfortable.
