3. The student will see the screen below. Click on the pencil on the right hand side to see what classes the student can chose.

Rising 10th grade students must select a total of 8 courses and 4 alternates elective courses. Required courses are English, Math, Science, and Civics/Economics. Students must choose 4 additional courses from any of the areas below to have a total of 8. Also 4 alternates requests must be selected from 10th Alternates.

<b>10TH ENGLISH</b>	Click the edit button to request a course ➡	
English II is the required 10th grade course. Advanced Inquiry Honors is recommended for 10th graders interested in taking AP English in 11th grade and/or have already completed English II. Students must select the course recommended by their teacher in the alert column. A course waiver will be required for honors and AP courses without a recommendation.		
<b>10TH MATHEMATICS</b>	Click the edit button to request a course ➡	
Must select the next level math class. Four math classes required for graduation. Students must select the course recommended by their teacher in the alert column. A course waiver will be required for honors and AP courses without a recommendation.		
<b>10TH SCIENCE</b>	Click the edit button to request a course ➡	
Biology is the typical 10th grade science course. Students must select the course recommended by their teacher in the alert column. A course waiver will be required for honors and AP courses without a recommendation.		

4. An example of the screen is below. Under the alerts column a teacher recommendation will be listed next to the recommended course. Select the course. Click okay at the bottom.

**10th English**

English II is the required 10th grade course. Advanced Inquiry Honors is recommended for 10th graders interested in taking AP English in 11th grade and/or have already completed English II. Students must select the course recommended by their teacher in the alert column. A course waiver will be required for honors and AP courses without a recommendation.

<input checked="" type="checkbox"/>	Course Name	Number	Credits	Prerequisite Note	Alerts
<input type="checkbox"/>	English II	10222X 0C	1	Student must have successfully completed English I	Recommended by  Amanda McDevitt
<input type="checkbox"/>	Adv Inquiry - Honors	10255X 0AI	1	Please note - if you took English II Honors as a 9th Grader - you are encouraged to take this course during your 10th Grade year prior to the AP English courses.	
<input type="checkbox"/>	English II Honors	10225X 0C	1	Student must have successfully completed English I	
<input type="checkbox"/>	English III	10232X 0C	1	Student must have successfully completed English II	
<input type="checkbox"/>	English III Honors	10235X 0C	1	Student must have successfully completed English II

Math	4 Credits: I, II, III and a 4th Math Course.
Science	3 Credits: Earth/Environmental Science, Biology I, and Physical Science
Social Studies	4 Credits: World History, Civics and Economics, and American History I & II,
Second Language	Not required for graduation. Required to meet MAR (minimum application requirements) for UNC.
Health/PE	1 Credit: Health/Physical Education
Academic Electives	6 Credits - 2 must be from either Arts, CTE or Second Language and 4 recommended concentration from either CTE, JROTC, Arts, or other academic subject area
Electives	6 elective credits from any area
Total Credits	28

# TEACHER RECOMMENDATIONS

- ◎ When signing up for English, Math, Science and Social Studies classes, students must choose the academic level recommended by their current teacher as indicated in the online registration system. Under the alerts column next to the course it will say “Recommended by the name of your teacher.”
- ◎ Students who want to take a higher than recommended level in a course (honors or AP) must have a parent sign a PRHS Course Level Change form. The counselor will enroll students in the higher level course once she receives the completed form. Forms are available in the Counseling Department.

# ACADEMIC DIFFICULTY OF COURSES

- ◎ **College Prep (CP)** - Course content, pace, and academic rigor follows standards specified by the NCSCOS with content enrichment where appropriate.
- ◎ **Honors** - Course content, pace, and academic rigor place high expectations on the student and surpass standards specified by the NCSCOS. These courses demand greater independence and responsibility than CP Level courses. This level or higher is suggested for competitive college admission.
- ◎ **Advanced Placement-** Course content, pace, and academic rigor are college-level as adopted by the College Board and prepare students to take the AP examinations which may lead to college credit.

# CAREER ACADEMIES

Online application required at

<http://www.ucps.k12.nc.us/Page/6523>

Academies at PRHS

- ◉ Culinary Arts
- ◉ Drafting
- ◉ Film Editing & Production
