

# 9<sup>TH</sup> GRADE ACTIVITIES

## **Learning Styles Surveys**

-Students take this survey on [www.mncis.intocareers.org](http://www.mncis.intocareers.org) to see if they are a visual, auditory or tactile learner.

## **Career Activities**

-Students take the **Career Cluster Inventory** on [www.mncis.intocareers.org](http://www.mncis.intocareers.org) to see which of 16 clusters most closely match their interests

## **Registration Activities**

-In late February, counselors talk to freshmen about classes they can take during their sophomore year. The following week, students register for those classes in the computer lab.

-Students also begin filling out a 4-Year Plan
