(6) IB MYP Earth/Environ Science **Required**. However, you have two additional options to meet the requirement:

They are A/B courses that you can pair with IB MYP Health & PE.

You may complete a course in one term (4x4) or one year (A/B Day). They must balance. If you take an A/B Day course, you must take another A/B Day course. If you take a 4x4 course, you must take another 4x4 course.

Begin with the end in mind! Students are strongly encouraged to develop a four-year plan to complete IB Diploma requirements! Please read the **IB Four Year Plan and IB Handbook** for details!
