Ms. Rusch's dating tips

1. Be **yourself!**
2. Make eye contact & actively listen to your date!
3. Let them talk about themselves, but also be sure to talk about yourself
4. **DO NOT TEXT** (you'll never get a second date)
5. Be open-minded, you never know what could happen!

Energy Speed Dating

Biomass	Coal	Natural Gas	Solar	Uranium	Wind	Geothermal	Hydropower

Shawna	Jason	Scott	Jackson	Sophia	Abbey	Hannah	Hannah

Fossil Fuels

Energy Debate

Biomass	Coal	Natural Gas	Solar	Uranium	Wind	Geothermal	Hydropower
JT	Brett	Sophia	Jason	Jackson	Scott	Shawna	Curtis
Genesis	Abby	Hannah	Damien	Ryan	Sam	Cam	Abbey

Debate

1. Pick a partner
2. Pick a new energy source

(one that you both were not for your dates)
