#### Get it Straight from A Scholar!

#### How do you feel about Summer Camp and why?

I feel like summer camp is good for me because I get to learn new things before I start my 10th grade year. It's more like a headstart for me. The only thing I don't like is waking up early. I get to meet new people that don't to Provine and I get a chance to talk to the upcoming 9th graders about the do's and don't of being a freshman at Provine.
