JPS Summer Olympics

Friday, June 21st, our scholars participated in JPS Summer Olympics at Hughes Field. Scholars enjoyed music, variety of activities, food trucks, and a student vs. Parent/teachers kickball game. A scholar from each grade level also participated in a 100-meter dash relay race. Clausell brought home the GOLD for four different grade levels!!!!

Final Note from the Coordinator

Parents,
Thank you for entrusting us with your scholar this summer. We have enjoyed working with each of them. As a reminder, for Summer Reading, your scholar read and completed 10 reading logs. Please ensure on the first day of the 24-25 school year that your scholar submits their reading log to the school's librarian in order to participate in the Summer Reading Celebration.

Have a fun and safe rest of your summer break!!!!
