SCHOOL RENEWAL PLAN FOR YEARS 2024-25 through 2028-29 (*five years*)

SCHOOL RENEWAL ANNUAL UPDATE FOR 2024-25 (*one year*)

Required Signature Page

The school renewal plan, or annual update, includes elements required by the Early Childhood Development and Academic Assistance Act of 1993 (Act 135) (S.C. Code Ann. §59-139-10 *et seq.* (Supp. 2004)), the Education Accountability Act of 1998 (EAA) (S.C. Code Ann. §59-18-1300 *et seq.* (Supp. 2004)), and SDE Regulation 43-261. The signatures of the chairperson of the board of trustees, the superintendent, the principal, and the chairperson of the School Improvement Council, and the School Read to Succeed Literacy Leadership team lead are affirmation of active participation of key stakeholders and alignment with Act 135 and EAA requirements.

Assurances for the School Renewal Plans

The assurance pages following this page have been completed and the district superintendent's and school principal's signature below attests that the school/district complies with all applicable assurance requirements including ACT 135 assurance pages.

SC SDE Assurances

Early Childhood Development and Academic Assistance Act (Act 135) Assurances (S.C. Code Ann §59-139-10 <i>et seq.</i> (Supp. 2004))	
☒ Yes ☐ No ☐ N/A	Academic Assistance, PreK–3 The school makes special efforts to assist children in PreK–3 who demonstrate a need for extra or alternative instructional attention (e.g., after-school homework help centers, individual tutoring, and group remediation).
☒ Yes ☐ No ☐ N/A	Academic Assistance, Grades 4–12 The school makes special efforts to assist children in grades 4–12 who demonstrate a need for extra or alternative instructional attention (e.g., after-school homework help centers, individual tutoring, and group remediation).
☒ Yes ☐ No ☐ N/A	Parent Involvement The school encourages and assists parents in becoming more involved in their children’s education. Some examples of parental involvement initiatives include making special efforts to meet with parents at times more convenient for them; providing parents with their child’s individual test results and an interpretation of the results; providing parents with information on the district’s curriculum and assessment program; providing frequent, two way communication between home and school; providing parents an opportunity to participate on decision making groups; designating space in schools for parents to access educational resource materials; including parent involvement expectations as part of the principal’s and superintendent’s evaluations; and providing parents with information pertaining to expectations held for them by the school system, such as ensuring attendance and punctuality of their children.
☒ Yes ☐ No ☐ N/A	Staff Development The school provides staff development training for teachers and administrators in the teaching techniques and strategies needed to implement the school/district plan for the improvement of student academic performance. The staff development program reflects requirements of Act 135, the EAA, and the National Staff Development Council’s revised Standards for Staff Development.
☒ Yes ☐ No ☐ N/A	Technology The school integrates technology into professional development, curriculum development, and classroom instruction to improve teaching and learning.

☒ Yes ☐ No ☐ N/A	Innovation The school uses innovation funds for innovative activities to improve student learning and accelerate the performance of all students.
☒ Yes ☐ No ☐ N/A	Collaboration The school (regardless of the grades served) collaborates with health and human services agencies (e.g., county health departments, social services departments, mental health departments, First Steps, and the family court system).
☒ Yes ☐ No ☐ N/A	Developmental Screening The school ensures that the young child receives all services necessary for growth and development. Instruments are used to assess physical, social, emotional, linguistic, and cognitive developmental levels. This program normally is appropriate at primary and elementary schools, although screening efforts could take place at any location.
☒ Yes ☐ No ☐ N/A	Half-Day Child Development The school provides half-day child development programs for four-year-olds (some districts fund full-day programs). The programs usually function at primary and elementary schools. However, they may be housed at locations with other grade levels or completely separate from schools.
☒ Yes ☐ No ☐ N/A	Developmentally Appropriate Curriculum for PreK–3 The school ensures that the scope and sequence of the curriculum for PreK–3 are appropriate for the maturation levels of students. Instructional practices accommodate individual differences in maturation level and take into account the student's social and cultural context.

☒ Yes ☐ No ☐ N/A	Parenting and Family Literacy The school provides a four component program that integrates all of the following activities: interactive literacy activities between parents and their children (Interactive Literacy Activities); training for parents regarding how to be the primary teachers for their children and how to be full partners in the education of their children (parenting skills for adults, parent education); parent literacy training that leads to economic self-sufficiency (adult education); and an age-appropriate education to prepare children for success in school and life experiences (early childhood education). Family Literacy is not grade specific, but is generally most appropriate for parents of children at the primary and elementary school levels and below as well as for secondary school students who are parents. Family Literacy program goals are to strengthen parental involvement in the learning process of preschool children ages birth through five years; to promote school readiness of preschool children; to offer parents special opportunities to improve their literacy skills and education; to provide parents a chance to recover from dropping out of school; and to identify potential developmental delays in preschool children by offering developmental screening.
☒ Yes ☐ No ☐ N/A	Recruitment The district makes special and intensive efforts to recruit and give priority to serving those parents or guardians of children, ages birth through five years, who are considered at-risk of school failure. “At-risk children are defined as those whose school readiness is jeopardized by any of, but not limited to, the following personal or family situation(s): parent without a high school graduation or equivalency, poverty, limited English proficiency, significant developmental delays, instability or inadequate basic capacity within the home and/or family, poor health (physical, mental, emotional) and/or child abuse and neglect.
☒ Yes ☐ No ☐ N/A	Coordination of Act 135 Initiatives with Other Federal, State, and District Programs The district ensures as much program effectiveness as possible by developing a district-wide/school-wide coordinated effort among all programs and funding. Act 135 initiatives are coordinated with programs such as Head Start, First Steps, Title I, and programs for students with disabilities.

Introduction

A.J. Whittenberg opened at the beginning of the 2010-2011 school year as a school of choice, housing only 4K through second grades. During those formative years, the faculty, staff, and stakeholders molded the mission, vision, and goals for the school which we continue to implement today. The student population of A.J. Whittenberg has changed significantly in the past 14 years as the number of choice students has reduced from 80% to 59%. As such, the number of home based students has increased from 20% to 41%. This shift in geographic data correlates to academic and demographic change. Since the school opening, A.J. Whittenberg's administration, faculty, and students have continued to strive for excellence.

In order to maintain the precedent set in place by student achievement results from our earliest years, A.J. Whittenberg participates in ongoing data review, and strategically plans using a variety of individuals and teams.

- **Instructional Leadership Team (ILT)** is composed of the principal, administrative assistant, program director, instructional coach, Literacy Specialist and school counselor. This team meets weekly and works together to make school-wide decisions for the benefit of all staff and students.
- **Data Teams** meet within each grade level; Each semester these teams, made up of grade level teachers, members of ILT, and various support staff, constantly monitor and support student achievement through the analysis of assessments and utilization of outstanding instructional practices.
- **Faculty Advisory Council (FAC)** is a team made up of grade level chairs and the Leadership Team, who work collaboratively to remedy issues that may arise school wide. This team's efforts include preserving a safe school environment, promoting positive change, and fostering a culture of engaged learning.
- **School Improvement Council (SIC)** is made up of parents, administrators, teachers, and business partners in the community. The SIC collaborates monthly to bring about the safest school environment possible that is conducive to all children performing to their greatest potential.
- **PTA Board** is a group of individuals elected from the PTA general

membership. This group works closely with SIC and the Leadership Team to support the mission of the faculty in providing a quality learning environment for the students.

- **AJW School Counseling Advisory Board** is a representative group of stakeholders selected to review and advise on the implementation of the school counseling program. The advisory boards meets at least twice a year and maintains an agenda and minutes for each meeting.

Together, these groups help make up the community that supports the planning and constant improvement at A.J. Whittenberg.

Executive Summary

Assessment Findings

- SC Ready ELA.....Exceeding and Met 71%
- SC Ready Math.....Exceeding and Met 66%
- SCPASS Science.....Exemplary and Met 65%

Teacher and Administrator Quality

- 3 Administrators
- 37 Teachers
- 31 Support Staff
- 100% of the instructional staff is highly qualified.
- 1 NASA Certified Teacher Liaison through the Space Foundation Program

Challenges

- Over the last 3 years there has been tremendous growth to our surrounding community. Many new housing developments have gone up, and as a result, we have seen a change in our demographics.

- As our students continue to grow in academics, it can pose a challenge to maintain that level of growth from year-to-year. It can be even more challenging to increase that level of growth.

Awards

- 2020- 2021 National Blue Ribbon School
- United Way Campaign of Excellence
- FLL Fall Jr. Lego Regional Finalist
- FLL Spring Jr. Lego Regional Finalists
- Certificate of Academic Achievement 2022- 2023: *Positive growth in Science*
- Certificate of Academic Achievement 2022- 2023: *Positive Growth in ELA*
- Certificate of Academic Achievement 2022- 2023: *Positive Growth in Math*

School Climate findings

Students, parents, and staff feel as if...

- School is a safe place
- The school sets high expectations for all learners.
- Teachers and staff are always supportive of students.
- Teachers care about the students.
- There is open communication between school and home.

School Profile

School Community

A.J. Whittenberg Elementary opened its doors as a school of choice for the first time in the 2010-11 school year. Initially, it opened as a primary school, 4K-2nd grade, but each year an additional grade has been added, finally reaching capacity at fifth grade in 2013-2014. This inner city school was a dream held by the community for some 40 years, and through the vision of then Superintendent Phinnize Fisher, it opened its doors with a focus on engineering for young children, healthy lifestyle choices through a cutting edge nutritionally balanced lunch program, and a partnership with the Salvation Army Ray & Joan Kroc Corps Community Center to promote physical fitness. It is through her leadership and vision that the school is the first inner city school to be built in downtown Greenville since 1970.

The school is named for Abraham Jonah Whittenberg, Civil Rights Activist. Mr. Whittenberg's dream was for his children to have access to a quality education, and it is through his courage and tireless efforts that schools were integrated in Greenville County. Mr. Whittenberg's dream came true in 1970 when his daughter Elaine Whittenberg Boyce entered Greenville Junior High School. Today a diverse population of children enters the halls of A.J. Whittenberg Elementary to receive a world class education. Through these halls walk future engineers, and their leadership and creativity will help preserve and champion our standard of living in the near future!

The Greater Greenville Community rallied around the school through contributions that included, but not limited to, building the schools two student designed playgrounds, fundraising events, and volunteering engineering

expertise in classrooms. Engineering partnerships were developed from our local engineering community, and these partners participate in school visits with hands-on activities that support an engineering focus, as well as provide mentoring opportunities with students.

The state of the arts three-story facility is specifically designed to facilitate collaborative learning and the engineering curriculum. The facility includes two STEM labs visible from both the interior and exterior of the building due to glass walls, green roof, solar panels, student designed playgrounds, and an outdoor student garden. The school is located in downtown Greenville, and it is adjacent to the Swamp Rabbit Trail, the Reedy River, and the Salvation Army Ray & Joan Kroc Corps Community Center. In addition, in the last year, Greenville County has established a huge community park directly across the street from AJW. Unity Park stretches over 60 acres and includes 4 playgrounds, basketball courts, a historic baseball field, and access to the 23-mile walking/biking Swamp Rabbit Trail that runs through the park. In addition, through a restoration project of wetlands on the park acreage, there is an outdoor classroom which provides school children and park visitors the opportunity to learn about the native species and wildlife living in this unique environment.

There is an active and supportive PTA and SIC that has created numerous opportunities for parent and community participation. One such opportunity that the PTA has established is the “WATCH D.O.G.S. (Dads of Great Students) program. It has provided a presence of “Dads” which gives ample opportunity for mentoring, teacher support, and an additional safety measure at school. The PTA assists new families as they assimilate into the school community, and help provide school uniforms for those in need. These examples represent only a few initiatives that have positively impacted the success at the school.

School Personnel Data

Faculty Profile	
Administrators	3
Teachers	37
Support Staff	31

The organization of the administration is a mixture of traditional with non-traditional positions. There is a principal who oversees the overall operation of the school, and there is an administrative assistant that supports the administrator with behavior concerns, transportation needs, book distribution, and much more. The non-traditional side of the administrative team includes a Program Director that works with our community and business partners in terms of volunteer opportunities, needed curriculum support, and opportunities to enhance and support the engineering focus of the school. The program director also supports the school in a role similar to an assistant principal, and supports the staff and students in a wide variety of ways.

School Climate Needs Assessment

- Student behavior data: 87 Referrals
- Attendance, absenteeism, and truancy: The attendance rate for A.J. Whittenberg is 95%.
- Parent/teacher conferences: Teachers meet regularly with parents to discuss student strengths and areas of concern. All teachers and staff hold conferences with every parent in the fall of each school year. Additional conferences are held throughout the year.
- Volunteer hours: 3715:40
- Backpack accounts/logins: There are 402 Backpack accounts which is 85% of the school population.

Promote school readiness activities in public, private, and faith-based preschool programs through GCS web-based resources and CDC training opportunities. b. Promote school readiness activities with parents and community through GCCS web-based resources. c. Maintain the increased classroom enrollment sizes of 23 students per 4K classroom instead of 20, which was approved by the SCDE in 2016. By adding three students to each class, GCS has been able to increase the number of at-risk students served by 15% annually without any additional funding (the equivalent of adding 11 classrooms) or requirement for facilities. Adding this very small number of students has not impacted program quality or instructional implementation, as evidenced by KRA readiness data. Each 4K class includes one early childhood certified teacher and one instructional aide, both of whom receive annual training specific to high quality early childhood programming.
