

Spring Calendar of Events

Story Time at GO-Science

Location – GO-Science -- Uptown Greenville

Every Wednesday 10:00 am -- 12:00 pm

Cost -- Free

Bring the children for a read-aloud story time with activities, music, and movement. Each week will focus on a science-themed book from Dolly Parton's Imagination Library made possible in partnership with the United Way of Pitt County. For more information contact Emily Jarvis at emily@atimeforscience.org or 252-531-7203.

"Seven Wonders of Greenville" Exhibit

Location – GO-Science – Uptown Greenville

Friday, May 5 - 5:00 pm – 8:00 pm

Cost -- Free

As part of the First Friday Art Walk in Uptown Greenville, Wahl Coates Elementary School will feature their "Seven Wonders of Greenville" Exhibit at GO-Science. For more information, contact Emily Jarvis at emily@atimeforscience.org or 252-531-7203.

Full Moon Paddle

Location – A Time for Science Nature Conservancy

Wednesday, May 10 - 8:00 pm – 11:00 pm

Cost -- \$15 per person

Join in our full moon paddle. The evening includes kayaking, telescope viewing, campfire, and s'mores! For more information and online registration visit our website or contact Emily Jarvis at emily@atimeforscience.org or 252-531-7203.

Kids Space Day

Location – GO-Science -- Uptown Greenville

Saturday, May 13 - 10:00 am - 12:00 pm

Cost -- \$5/Child – Free for parents

Bring the kids for a morning planetarium event and explore a new and fascinating topic in astronomy. For more information and online registration visit our website or contact brian@atimeforscience.org or 252-364-6569.

Starry Night

Location – ATFS - Joyner Astronomy Park

Friday, May 19 - 7:00 pm - 11:00 pm

Cost -- \$5

Enjoy an evening planetarium show then view the splendors of a starry night where city lights don't interfere. For more information and online registration visit our website or contact brian@atimeforscience.org or 252-364-6569.

GUC "Energizing" Exhibit

Location – GO-Science – Uptown Greenville

May 22nd – July 7th

Cost -- Free

Come out and enjoy the Greenville Utilities Commission's interactive energy exhibit. For more information, contact Emily Jarvis at 252-531-7203 or emily@atimeforscience.org.

Full STEAM Ahead: Celebrating Science in the City!

Location – GO-Science – Uptown Greenville

Thursday, May 25th – 6:30 PM

Cost -- Free

Celebrate the merger of A Time For Science and GO-Science. Featuring the band Jupiter Jones! Bounce house, face painting, brews, food, and more! For more information, contact Emily Jarvis at 252-531-7203 or emily@atimeforscience.org.

Carolina Skies Astronomy Club

Location – ATFS - Joyner Astronomy Park

Saturday, May 27 - 7:30 pm

Cost – Free

The subject for the indoor presentation is "Jupiter" and is timed to coincide with the giant planet's reaching opposition this month. This means that the earth is now at its closest to Jupiter for this year. If the sky is clear you will have a great view of Jupiter with our telescopes. For further information contact Brian Baker at brian@atimeforscience.org or 252-364-6569.
