

Steps for watching Aberdeen School District Streamed Events

1. https://www.nfhsnetwork.com/users/sign_up#
2. Create Your Account
3. Once your Account is created you should be able to click on the small person icon. It will show you your account information.

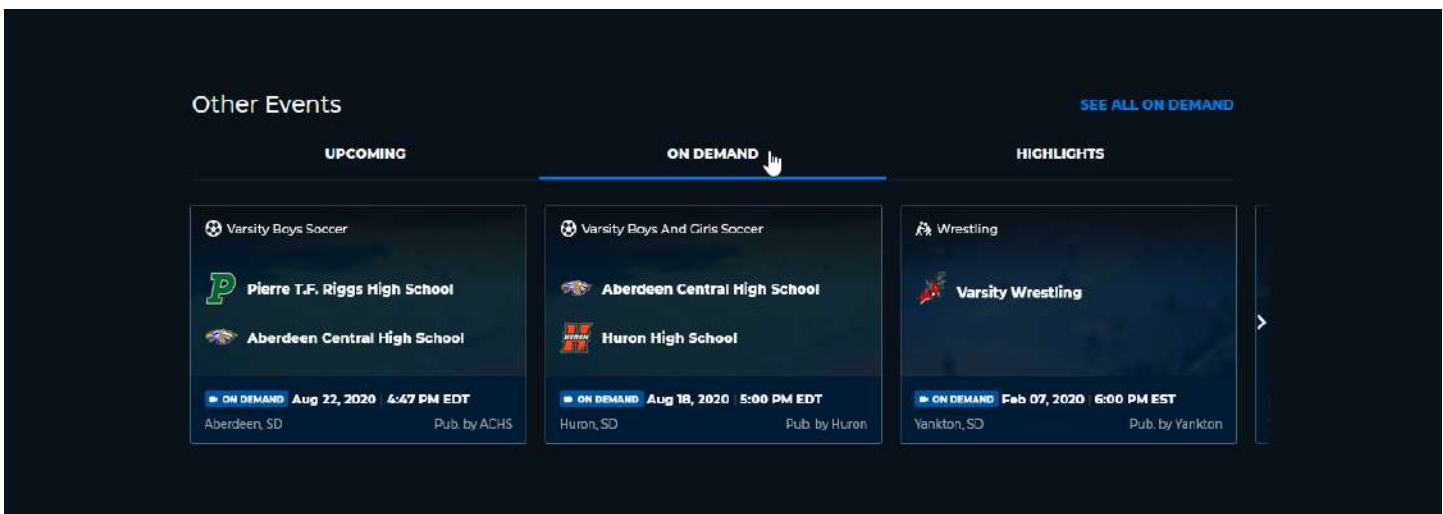

You DO NOT need to subscribe or make any payments to watch Aberdeen School District regular season home events. We have already covered those costs.

4. Once you are logged in browse for Aberdeen Central High School. You will now be able to see any live events for our school or watch previously recorded events.

5. If you click ON DEMAND at the bottom of the page you can also watch prior recorded events.

Aberdeen School District offers its streaming of regular season home games free of charge. Other schools may not offer those same services and require a fee to watch their home game.
