

# Journalism II PowerPoint Project

## “ALL ABOUT ME”

The 1<sup>st</sup> part of this project is a presentation that describes you, your family, and anything else you want to tell (within reason☺) about yourself. The second part tells about your style in photography. Your grade will be determined by the neatness of your presentation, correct spelling and grammar, and of course your photos that have been enhanced or edited to create a fun PowerPoint!

### REQUIREMENTS FOR THE PRESENTATION

- ✓ You must have a title slide and a conclusion slide. These slides do count in the total number of 15 slides required.
- ✓ You must have at least 15 originally designed slides. You may use more if you would like.
- ✓ You should **apply a template** to your presentation. Choose one that you like and fits your style.
- ✓ Use several different slide layouts/types throughout your presentation and apply slide transitions.
- ✓ Add clipart or pictures to some of your slides. Be conservative with this because too much can be distracting.
- ✓ Be sure to insert a bullet slide with custom animation on at least one slide
- ✓ Add sound/music at least one time in the presentation.
- ✓ When creating your presentation, remember the Rule of 6's. No more than 6 lines of text per slide and no more than 6 words on a line.

Here are some ideas of things to include in your presentation. You may use items from this list and/or use items of your own. You are not limited to the list below, but get approval for other topics.
