Dear Families:

New York State Law requires that we receive a WRITTEN note for each time your child is absent from school. This note must specify the date and reason for the absence and should be sent in to school on the day of her/his return. If a note is not received within one week, your child's absence will have to be declared illegal.

Please use the form below as a guideline to show what information needs to be included on this written note.

Thank you.

Sincerely,

Ross Hogan
Duzine Elementary Principal
