

Student Name

# Accounting Scandal Project

(make a copy & use this template to guide your project)

Part 1: Research accounting scandals and find one that interests you

**Name of scandal and what the company is/does**

Part 2: Find 2 resources to gather information about your scandal

**List both websites here**

- 1.
- 2.

Part 3: Read, research and gather information about your scandal (this should take you the longest, and should include *at least* 20 facts. I've given you three starting points.

1. What the scandal is (describe the scandal).
2. Has anything been done to prevent future scandals?
3. Where is the company now?
- 4.
- 5.
- 6.
- 7.
- 8.
- 9.
- 10.
- 11.
- 12.
- 13.
- 14.
- 15.
- 16.

- 17.
  - 18.
  - 19.
  - 20.

Part 4: From your search in part 3 go through and **highlight** 25 key words/dates you want to create in your wordle. Single words are best, but if you have two or more words put a ~ between it.

Example: Chelsea Vetter = Chelsea~Vetter (see student example for more if you want)

Go to <http://www.wordle.net/> to create your wordle. This will need to be printed (can be black & white). If you can not get the website to work, you'll need to make it by hand. Typically it only works in firefox or safari (not google chrome). You can also screenshot your wordle and insert the picture here if that's easier.

Part 5: Pick on online way to represent your scandal. This will need to either be printed or shared so you can present it to your classmates. (These are all links, so look at a couple and then decide which one you want to use) You can directly link your project here, email me a copy or screenshot it here.

[Piktochart](#)

[Infogram](#)

[Venngage](#)

[Animaker](#)

[Vizualize](#)

[Easel.ly](#)

[Adioma](#)

[PicMonkey](#)

Insert your online representation here

Part 6: Is there anything else you want to add to your presentation? Is there a quick video from CNN or another news website? Your video clip can not be longer than 3 minutes.

**We will present our projects on Friday, March 9th. You need to share/email me your documents.**

**40 pts total**

- 10 pts for completing outline
- 10 pts for wordle
- 10 pts for online visual
- 10 pts for presenting

## EXAMPLES:

Enron Enron Enron Enron

"America's~Most~Innovative~Company"

Arthur~Andersen

(etc.)
