

Websites to Help Students Prepare for the Accuplacer Test

For additional study help, please visit the Minnesota Career Information System (MCIS) website listed below. They have a free online "mini" course that will help refresh your skills in preparation for the Accuplacer placement exam.

To access the course, go to the website: <http://mncis.intocareers.org>

Enter the Username: ridgewillmar

Enter the Password: warriors

You will need to create your own Username and Password to set up your own portfolio. Once you have done this, go into "My Portfolio" and select "College Placement Skills Training".

~~~~~

**The following websites are also available to help you review for the Accuplacer placement test:**
