
WHO KILLED EDGAR ALLAN POE?

THE QUEST

MODELING MATERIALS

This PDF includes printable materials that provide modeling for students. If you feel your class could benefit from extra scaffolding, please use as many of these materials as you see fit. However, they are not necessary to run the Quest and can increase the time it takes to play.

Individual Notebook Pages — The Accusation

These are larger copies of materials included in students' detective notebooks suitable for printing on 11"x17" (tabloid) paper. You can use these to model planning the accusation at the end of the Quest.
