## ROTC

### Activities to Support Instruction During Extended School Closures

The purpose of this document is to provide an overview of suggested activities available to ACPS students. These suggestions can be used by families to support the continuity of education. The learning experiences developed and provided will give students opportunities to go deeper into concepts, ideas, and skills independently. These activities do not require copies or additional supplies.

**ROTC 3 -****AS 300/LS 300**

We will alternate assignments from Space Exploration and Life Skills.  
This week I have placed in the folder the handout on the U.S. Space program. Use google to fill in the areas for Mercury, Gemini and Apollo.  
A few areas of interest:  
The seven original Mercury Astronauts  
The notables from the "Next Nine" Astronauts  
The program was almost "shut-down" after Apollo 1  
First Men to See the Moon

Some Trivia:

Last man to go into space alone \_\_\_\_\_  
Number of men that walked on the moon \_\_\_\_\_  
Last Man to walk on the moon \_\_\_\_\_  
\* How many people have seen the dark side of the moon \_\_\_\_\_

**ROTC 4 -****AS 400/LS 400**
