

Active Parent

Parent/Guardian access to the South Panola School District's gradebook program, Active Parent, will be available beginning August 22, 2016 and end May 12, 2017. All users will be required to create a new user account as none of the accounts from last year were brought forward.

Access to this exciting resource is available by typing the following address into your web browser <http://grades.spsd.k12.ms.us> . Click on Sign up for an Active Parent Account to immediately start the process. Simply provide the requested information and fill in the blanks. When you are satisfied with your responses please click on the Next button to fill out the student's information. You may enter more than one student by completing one student's information then click on add student to do the next student. If you have completed all the student information please click submit request. We will send a notification that your account has been successfully accepted. You may then go to <http://grades.spsd.k12.ms.us> to access the student(s) information.

In all cases the counselor is the appropriate first contact to set up conferences with teacher(s) for questions and concerns regarding assignments, grades, attendance, etc. In addition, district technology staff will provide email support at fmiles@spsd.k12.ms.us .
