The accountability reports for the 2021-22 school year include all required components, including the calculation of School Performance Grades. Unlike the previous two school years (2019-20 and 2020-21), the U.S. Department of Education did not grant waivers from federal testing and accountability requirements for the 2021-22 school year. The U.S. Department of Education approved an addendum requested by the State Board of Education to the state's Every Student Succeeds Act (ESSA) plan for relief from certain data requirements impacted by COVID-19. The addendum approval letter is available at <https://www.dpi.nc.gov/media/14775/download?attachment> (<https://www.dpi.nc.gov/media/14775/download?attachment>).

2021-22 Student Characteristics & Participation

This section describes some key measures about the students at this school.

Incoming Student Readiness **i**

Percentage Economically Disadvantaged ⓘ

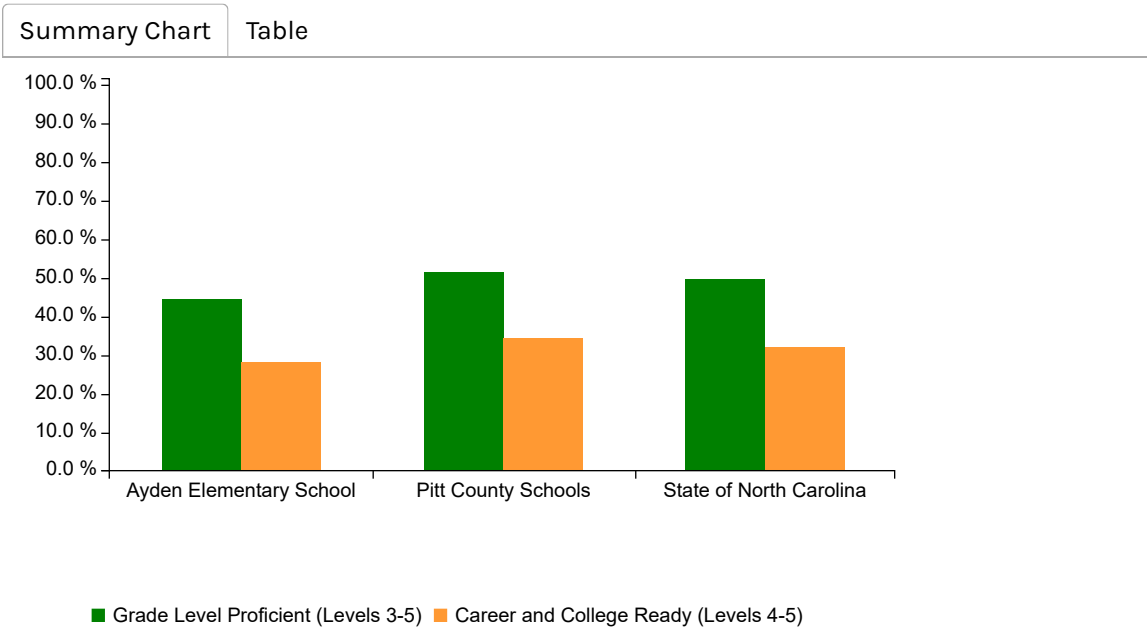

2021-22 Student Performance

Student Performance by School/District	Student Performance by Subgroup
--	---------------------------------

This section describes student performance in various test subject areas. Student test performance is reported as one of four achievement levels. ⓘ Not Proficient is below grade level. Level 3 is grade level proficient. Levels 4 and 5 indicate students are on track for career-and-college readiness.

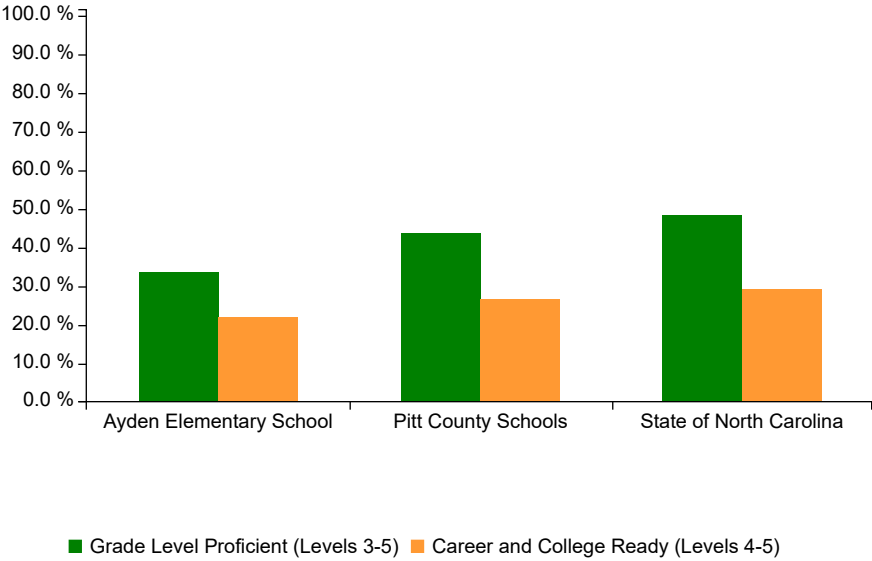

Proficiency in Subject Areas
