

AESTHETICS- EVALUATE THE SONGS

CONCEPT- <i>Often adjectives such as sublime, beautiful, ridiculous, shocking</i>	
VALUE- <i>What value does the song possess? Spiritual, humorous, practical</i>	
ATTITUDE- <i>What attitude is the artist putting forward in his/her music?</i>	
INTENTIONS- <i>What is the intention of creating this music? Profit, protest, telling a story that had to be told.</i>	
WHAT TYPE OF ART IS IT? <i>Is it “good” art, “bad” art, “derivative” art, high-brow? Low brow?</i>	
EXPRESSION- <i>How does the audience respond to the art? What emotions does it get out of the people? Is it universally felt emotion, or just to some?</i>	
REPRESENTATION- <i>Is this accurate to life? Does it represent deeper meanings and truths? What in life does this music illuminate?</i>	
OBJECT OF THE ART- <i>Was the mission of the art accomplished? How creative was the artist using the “recipe” of music?</i>
