Questions from parents:

A parent had a question about a bus problem from last week due to a wreck at Pt. Harmony. We addressed the issue by telling the parent to call Ms. Kinder to code this issue.

A parent had a question about tutoring. We reviewed the dates and times of after school tutoring.

A parent questioned how we ranked in the State with test scores. We could not find the data on ZOOMWV; but on college board we did pull the information to let them know we are competitive with the state on test scores.
