School Information

Asheboro High School (AHS) is a public, comprehensive high school located in the heart of the city of Asheboro. Founded in 1949, AHS serves students in grades nine through twelve. There are three small learning communities available to students. AHS Zoo School, at the NC Zoo, offers many unique opportunities for problem solving with college and career relevant applications. AHS Health Science Academy provides students with invaluable experiences in preparation for a career in medical and healthcare fields. AHS Early College Academy affords students the opportunity to earn both a high school diploma and an Associate’s Degree. As an AP Capstone School, beginning with the Class of 2019, students can graduate with the following: AP Capstone Diploma or AP Seminar and Research Certificate.
