| | | |
|------------------|-------------|---|
| Block I | 8:20-9:50 | Biology 102 History of Western Civilization Human Anatomy & Physiology (BIO-142) Principles of Physics |
| Block II | 10:00-11:30 | Astronomy Biology 102 History of Western Civilization Human Anatomy & Physiology (BIO-142) Introduction to Engineering Methods & Computer Programming |
| Block III | 12:00-1:30 | Biology 102 History of Western Civilization Human Anatomy & Physiology (BIO-142) |

Year-Long Courses

| | | |
|------------------------------|-----------|--|
| 6th Period | 1:40-2:30 | Introduction to Engineering Methods & Computer Programming |
|------------------------------|-----------|--|

Notes:

- May 1 is the deadline for priority applications for classes with enrollment restrictions. However, we will continue to take applications through the summer.
- Cyber Security students will commit to attending up to three (3) days of instruction in the Cybersecurity Lab at the Southwest Virginia Higher Education Center if required by instructor.
- Human Anatomy & Physiology and Biology 101/102 will commit to attending 2-3 days of lab activities at the Southwest Virginia Higher Education Center or other identified site in our region.
- We reserve the right to reduce a section if the enrollment is not sufficient.

Year-Long Courses (paced for 45-minute class schedule)

Advanced Multimedia
Environmental Science
History of World Civilization
Latin I (high school credit only)
Latin II (high school credit only)

First Semester (paced for 90-minute block schedule)

Advanced Multimedia
Appalachian History
Cyber Security
English 111/112
Environmental Science
History of World Civilization
Latin I (high school credit only)
Latin III (high school credit only)
Medical Terminology

Second Semester (paced for 90-minute block schedule)

Advanced Multimedia
Appalachian History
Creative Writing
Cyber Security
English 241/242 (American Literature)
Environmental Science
History of World Civilization
Latin I (high school credit only)
Latin II (high school credit only)
Medical Terminology

Enrollment Caps

Synchronous Courses

Anatomy & Physiology | 30 students/section
Biology | 25 students/section
Western Civilization | 30 students/section

Asynchronous Courses

Minimum of five students for a section to be offered.

Advanced Multimedia | 30 students
Creative Writing | 20 students
Medical Terminology | 25 students
World Civilization | 30 students

English 111/112 | 20 students/section
English 241/242 | 20 students/section
