DIRECTOR'S NOTES

I have greatly enjoyed directing the Fall Musical this year. This has been a new undertaking for me and it has been full of successes and challenges. I have loved getting to know a new group of students and I am thankful that they put their trust in me to lead them. Thank you to:

Shirley Luhmann for being my right hand woman, helping me get through our long to-do lists, coordinating our prop search, set building, and parent communication, creating the posters and programs, and so much more! I could not have done this without you.

Val Bonderman for the many hours spent creating our costumes. She has worked tirelessly to get us ready for our production.

Damian Amberg, Dennis Reichow, Kurt Luhmann and Cody Luhmann for helping us create and build our set.

Tanya Reichow for her organization and assistance with costumes, props and the spotlight.

Students: Thank you for all the time and energy you have put into bringing Alice and Wonderland Jr. to life. I hope you all can feel some ownership of this show because you are the ones who made it happen. Alice's story is one of wonder and imagination and I hope this show reminds us all to find wonder in the world around us and remember that we are never too old for imagination.
