

# FALL 2024 / SPRING 2025 REGISTRATION

**OPEN APRIL 8-MAY 26**

## **REGISTRATION DETAILS**

All players that are signed up will initially be placed on the waitlist. This allows us to ensure all teams created have coaches. Once we know how many teams we can make for each division, players will be activated from the waitlist with priority going to children of program volunteers (coaches, adult referees, board members, etc.) the remaining slots will be filled by first come first serve based on registration time.

## **COACH/VOLUNTEER REGISTRATION**

Coaches and volunteers are incredibly important to our program! We build teams based on how many coaches we have at the time registration closes. If you are considering being a coach (no experience needed, training is provided) please sign up right away!

If you are on the fence about coaching next year, please let us know. We are happy to answer any questions you have and/or connect you with veteran coaches who can help!
