ALLISON FIFIELD MEMORIAL FOUNDATION

A scholarship, in the amount of **$5,000.00**, is being offered by **The Allison Fifield Memorial Foundation** to a member of the Glacier High School graduating class of 2024. The Foundation was established in November of 2006 by Allison's family following her death in June of 2005, at the age of 16, in a tragic motor vehicle accident. Although she had just completed her sophomore year at Flathead High School Ally lived with her family in the West Valley area which is now served by Glacier High School. It is the wish of the family that Allison's commitment to education be continued by those receiving scholarships in her memory. This scholarship will be available to graduating seniors maintaining at least a 2.5 grade point average and pursuing a degree at any qualified (determined by the IRS to be non-profit) accredited educational institution. It may be renewed on a yearly basis, upon reapplication and subsequent qualification, for an amount of not less than $1,000.00, such amount to be determined annually by the Foundation's Board of Directors.

Funds available through this scholarship will be payable directly to the educational institution in which the recipient is enrolled. Please return all required documentation along with the attached application form to the Glacier High School Career Center no later than Thursday March 7, 2024.

Prior to releasing any scholarship funds the recipient must return, to the Foundation, a completed scholarship grant acknowledgement form and verification of admission to and enrollment in a qualified educational institution. Scholarship funds may be distributed in one or two payments (one per semester) at the discretion of the Foundation's Board of Directors.

Thank you for honoring Ally's memory with your application.

The Board of Directors
